TO THE  
1984 1985  
BEANPICKER**

## ights In Pompano

Have you ever driven down Atlantic Boulevard or Federal Highway at night, and taken a good look at what was around you? Beginning with the internationally famed World of Palm Aire, Atlantic boulevard runs as far as AIA. At the intersection of Powerline Rd you will see the Pompano Harness Track where the best horses from all over the United States come to race during the winter months.

On Atlantic Boulevard towards Federal Highway, you can see the shimmering lights of the array of fast food restaurants. Continuing down Atlantic you will see numerous shopping centers with a variety of souvenir shops.

Along Pompano beach, you will see restaurants and hotels that beautify the ocean's shore.

Although Pompano Beach is not big in size, it offers a variety of night time activities. From a stroll on the beach, to a hearty meal in one of the cities fine restaurants, Pompano is a city *ALIVE* by night!

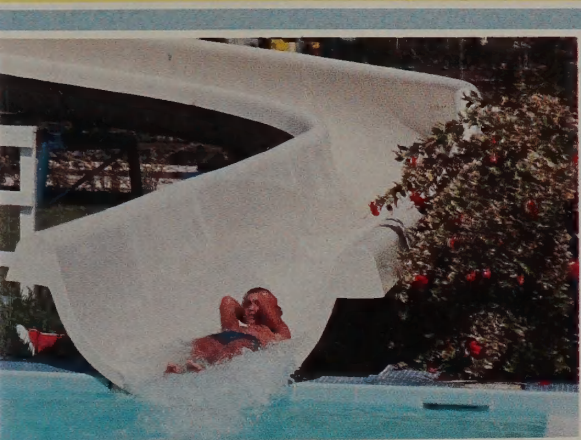

## Six Flags Atlantis

Six Flags Atlantis is where everyone from Pompano will find over 60-acres of water slides, rides, shows, pools, water ski spectacles and games of all kinds. With all these plunging, swirling, diving, fun-in-the-sun rides and attractions, you're sure to have the wettest, most fun-filled time of your life.

**"The Twister"** What's around the bend? If your heart can take it, go for it! Get inside this completely enclosed tube for the wildest, wickedest slide-ride ever!

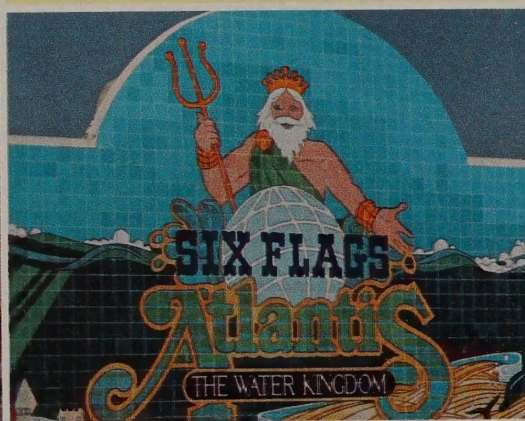

**"King of Waves."** Get set to get wet as you body surf on gigantic 4-foot waves in a half-million gallon wave pool!

Bump to your heart's content when you take the wheel of a Splash 'n Dash bumper boat.

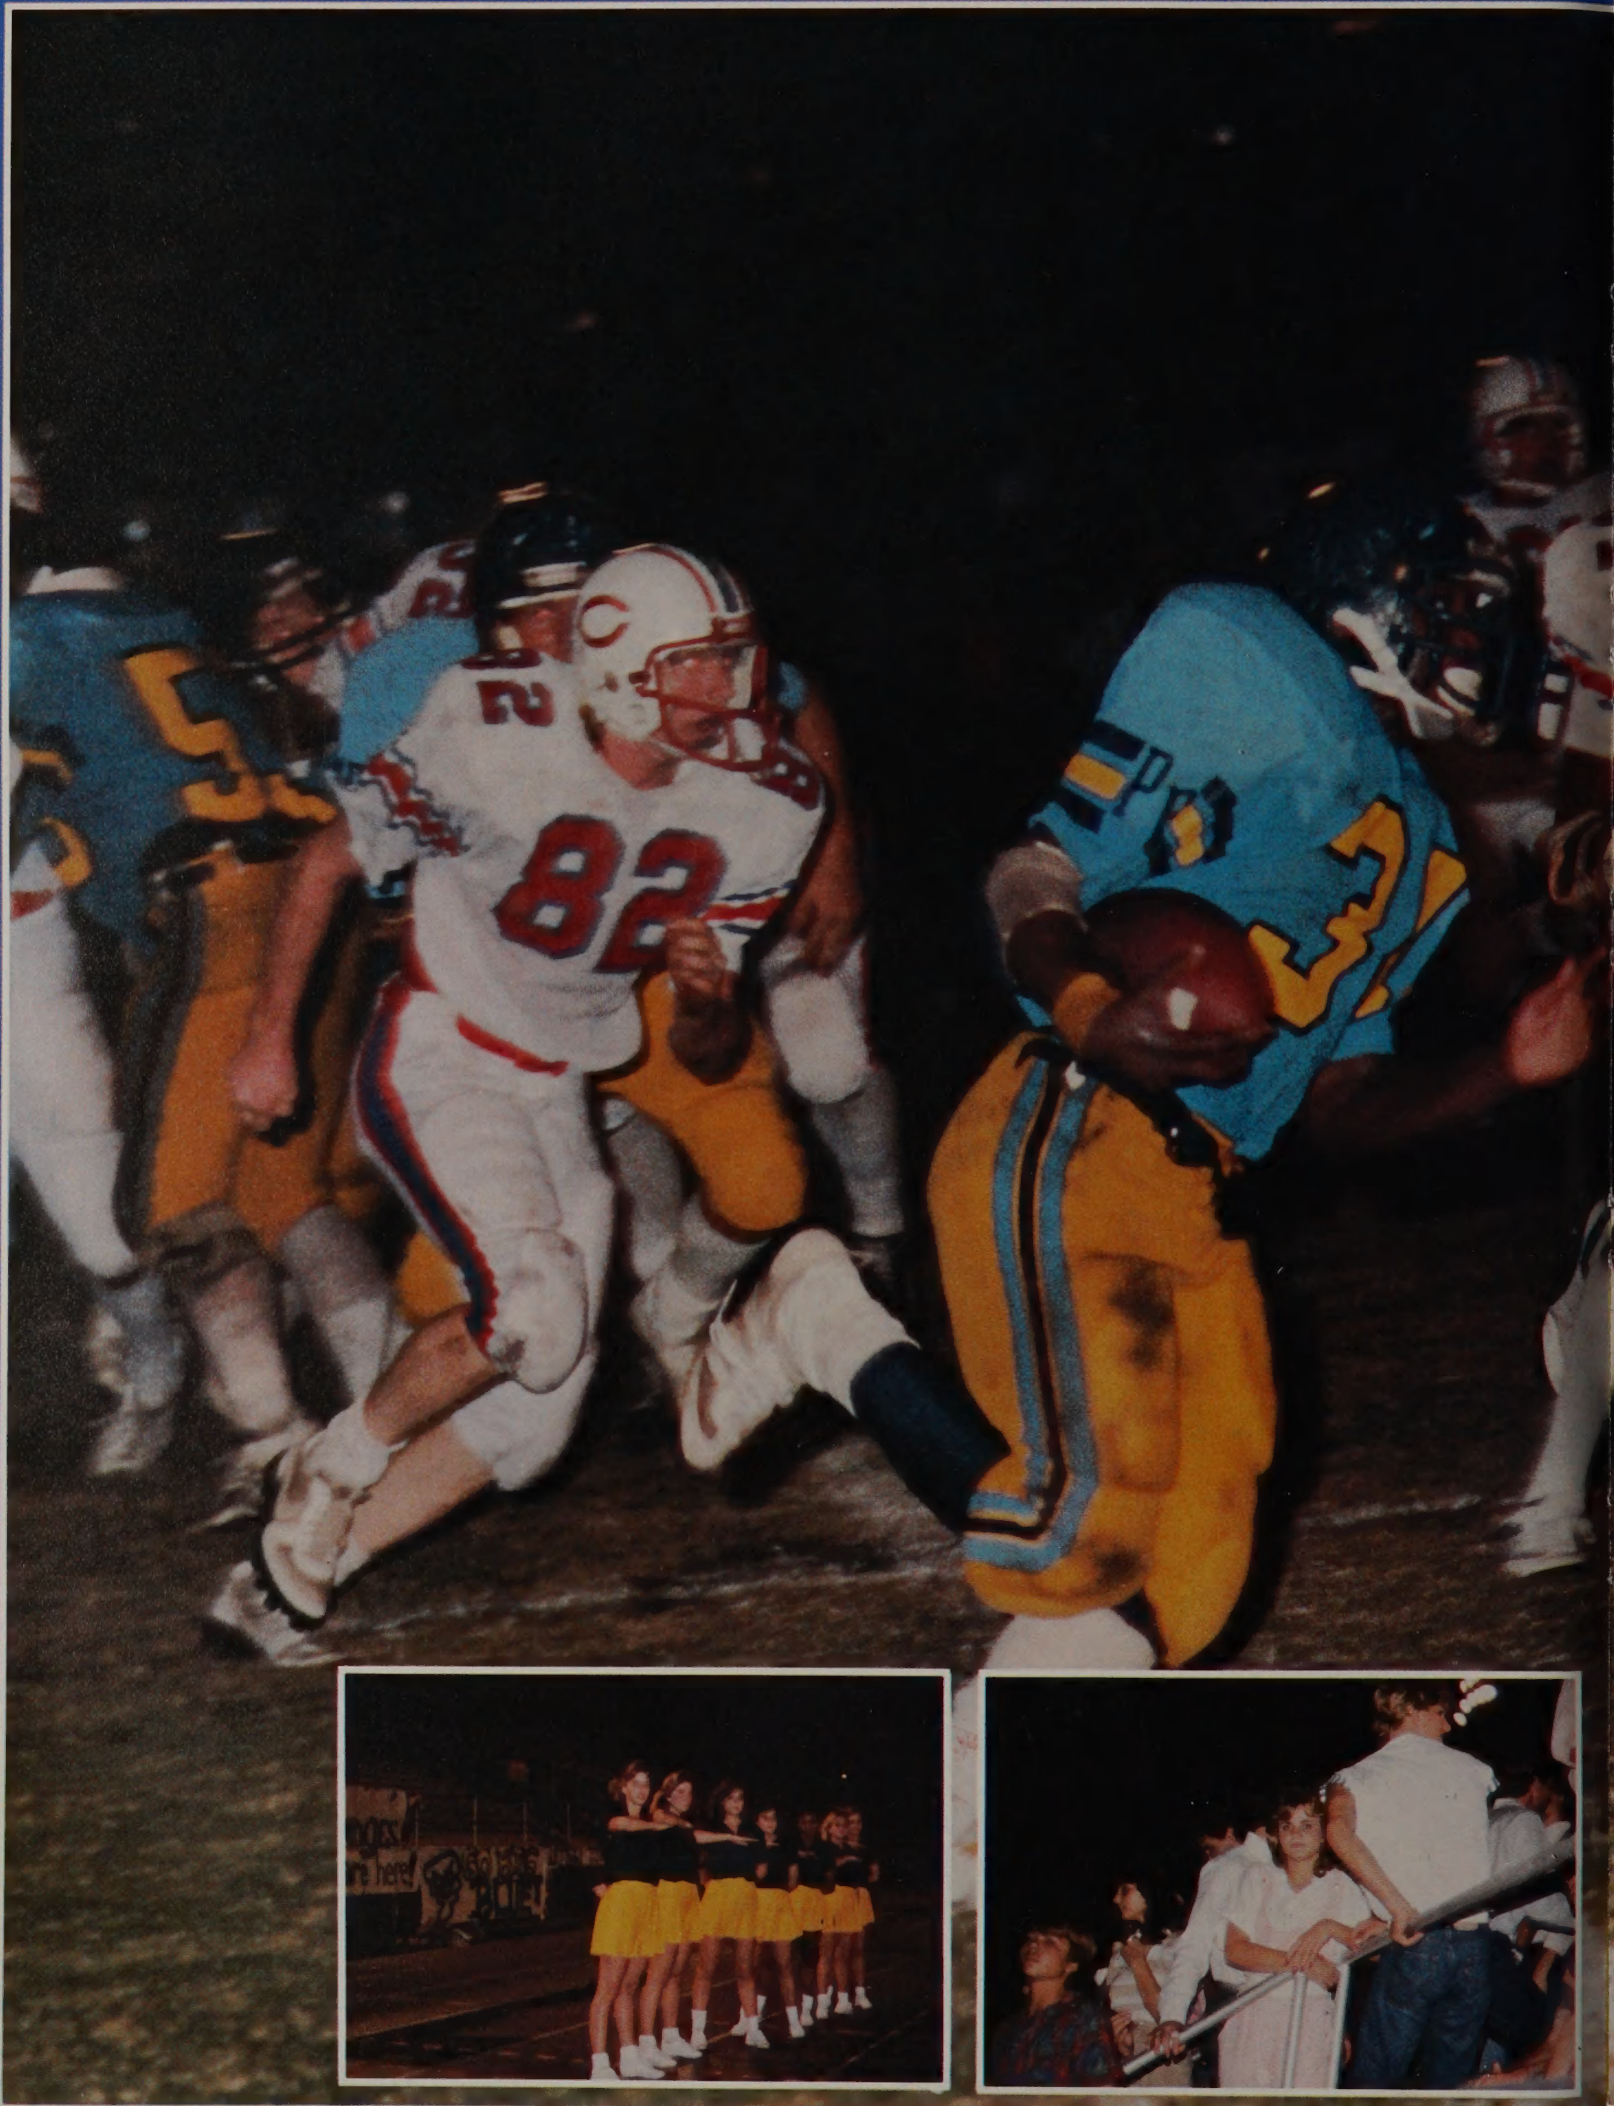

**"Sea Stage."** Watch the most exciting, jumping, churning and balancing water ski shows you've ever seen!

**"Barbary Coast Theatre."** Rock'n roll to exciting, upbeat musical revues, music acts and entertainment.

On a nice sunny weekend afternoon, you will be sure to find many students from Pompano Beach High School gathered at Six Flags for a day of fun.

## What Is Football?

Football is a game played between two teams of eleven men on a field with goals at each end, in which points can be made by carrying the ball across the opponent's goal line or kicking the ball over the opponent's goal post. However, at Pompano, football is a game which everyone loves to be a part of. All day long before a game, the cheerleaders are cheering. The players are reciting plays in their heads. The ROTC colorguard is preparing for saluting the national anthem. The band is tuning up and preparing for the halftime show. The coaches are becoming nervous, and the fans are getting excited.

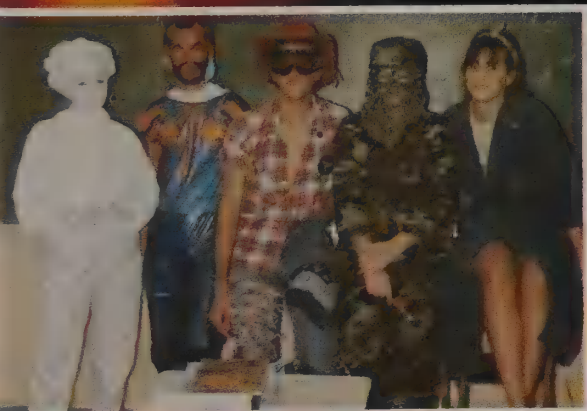

With each game, the cheer of the cheerleaders is a familiar boost of confidence to assure the players of a successful game. Every player is assured to put every ounce of effort into playing his very best for Pompano. The ROTC colorguard prepares for honoring the national anthem by practicing each step until perfection. The band tunes up their trumpets, horns and flutes. They planned on performing a better halftime show each game. Coaches are the ones who make sure that the game is played to perfection and slowly the fans are beginning to arrive. The stands begin to fill and the enthusiasm begins to grow. The students from Pompano are an example for every other school to take lessons from. We are *spirited* and we are *proud*!

## Pompano Works Towards Perfection!

This year the bonfire turned out to be a great success. It was held on Thursday night, October 25, 1984. It looked as if all of Pompano Beach had shown up to see the great blaze of fire displayed by Pompano High. Headed by Ms. Marcus, Doug Jones, Ed Baxter, Andrew Jackson, Sean Duffy, Brad Olin, Wade Fuller, David DiPietro and Eric Bowles they spent every free moment of their time for three weeks finding materials, moving wood and preparing for our bonfire. We thank this great team for all their hard work and effort. It was a job well done.

Along with the bonfire, other activities for homecoming week such as crazy day were held as displayed by Sam Orgain, David Gordon, Kenny Grunizen, Wendy Wood and Meddie Bidwell whose attire was certainly wild and crazy.

Twin Day was a new idea for Pompano but its success was evident, by the spirited participation of many like Stacy Davis.

As for Tacky Tourist Day what can anyone say? It seemed as if the hallways of Pompano High were filled with those tacky tourist outfits we've become accustomed to every winter.

Congratulations to all *Student Senate members* for all their hard work in preparing a homecoming week that will always be remembered.

## he Beach

Pompano's Beach is where you will find a variety of students from Pompano High. Everyone loves to spend their Saturday and Sunday afternoons soaking up the sun, surfing those waves, playing volleyball, fishing off the pier or enjoying the beautiful view. Every Monday morning everyone comes to school with a bright new tan hoping it will last.

Volleyball is a popular game with students. Many of the students that play volleyball on the beach belong to the volleyball team.

Surfing is of course the thrill of the day. For many the gang from Pompano pack up their cars and trucks early on a Saturday and Sunday morning, hoping to find some of those great waves by the Pompano Pier. The Pompano Beach Pier has just been remodeled in the summer of '84 and has become a popular area for fishing, day and night. From the pier, you also receive a beautiful view of the ocean, and hotels along the beach.

What does the beach mean to you?

"An afternoon of fun spent with friends!"  
Vickey Rodriguez

"Party"  
Adam Adair

"Surfing, Parties and WOMEN!"  
Stacy Davis

"Suntan lotion, gorgeous guys!"  
Wendy Wheeler

"Lifeguards!"  
Stefanie Dana

"Sandcastles."  
Katie Beatie

"Hot looking chicks in string bikinis"  
Wade Fuller

"Waves, ultraviolet rays, and cool beverages!"  
Mike Burke

## f Faded Memories

The brightly lit moon shines at  
night,  
There's darkness except for rays of  
light,  
Sand crystals are glittering gold,  
Shells from the ocean are weather-  
worn and old,  
All is quiet except for the rushing  
waves,  
The sand shows paths that people  
pave,  
Footsteps in the sand tell of days  
before,  
Views from land to sea,  
Promises the future and more,  
A place for memories of love and  
fun,  
Even welcomed in the night after  
the day is done,  
The foaming wave rolls as far as it  
can reach,  
A place to remember and this place  
is the beach.

# 7th Hour

This past year the school board added a seventh hour to our school day. An extra class gave some students the opportunity to take an elective such as computers, art or business classes, and allowed other students to finish their required classes sooner. The reaction to this extra class was mixed.

Many students were glad to take a seventh class. College-bound students were able to take more advanced classes, and other students were able to take classes they otherwise could not have fit in such as two-hour long classes.

The majority of students did not appreciate an extra class. They suggest that a longer day means more homework, and less time to spend on each class' work. The extra hour makes the day seem longer and more tiring.

Computers \*!\* ... !

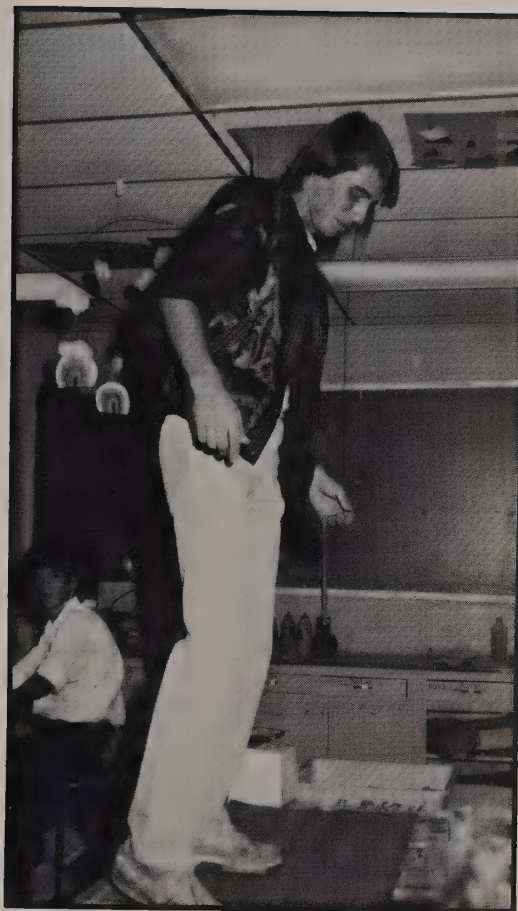

Typical hard working class.

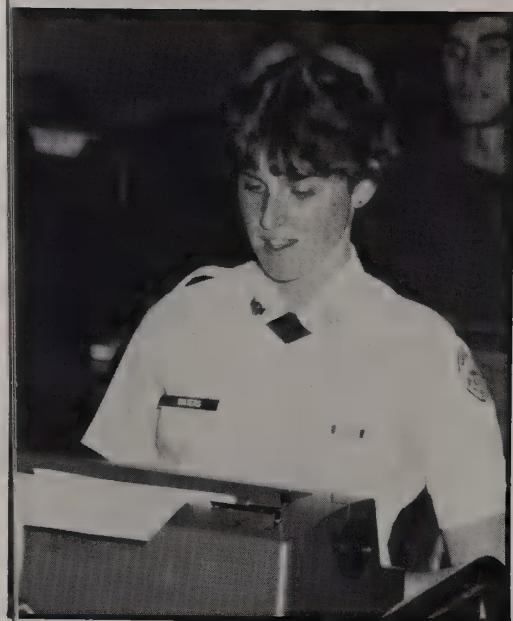

Elaine O'Neill and Kenny Kubas get down to work.

Jeff Joseph struts his stuff!

Christina Reasbeck enjoys her job!

Mindy Benjamin takes a break for a picture.

Michelle Ehrke makes shopping a pleasure!

Who's next Jackie Hammontree?

Sonia Lopez and Chris Mattingly, can we help you?

# Money!

Anything for a buck . . . that's the attitude at Pompano. Around the time teenagers start high school, they feel the need for money . . . lots of it. Most students end up getting jobs. Pompano students can be found working at supermarkets, toy stores, clothing stores, fast food places, and other odd jobs.

Some reasons the students get jobs are:

## Clothes

— Sheila Spotnagle

## My horse

— Diana Beraglia

## My computer

— Joe Mineri

## Bubble gum and Binaca

— Chris Panagakos

## Gas

— Andrew Jackson

## Put it in the bank for college

— Dawn Pappous

## Concerts

— Chris Wiggins

## Christmas presents

— Mary McQuire

## Flying lessons

# Munchies

Alot of people wonder why McDonald's or Fat Freddie's are mobbed with high school students between 10:20 and 11:50. Little do they know, Pompano Beach High School students are indulging in their favorite subject ... LUNCH!!!

Wendy's, McDonalds, Fat Freddie's, and Burger King are popular restaurants for the students who own cars. Taco Viva is usually the popular hangout for those who have to walk.

If fast food (and I mean fast food, Pompano students only get 30 minutes for lunch) isn't what students want, Pompano has three options open on campus. The roach coach, a privately owned booth that sells pizza, hot dogs, candy bars and potato chips; the cafeteria fast food line, which sells pretzels, hoagies, and ice cream; and the cafeteria, which has appetizing daily menus.

Pompano Seniors enjoy "Micky D's"

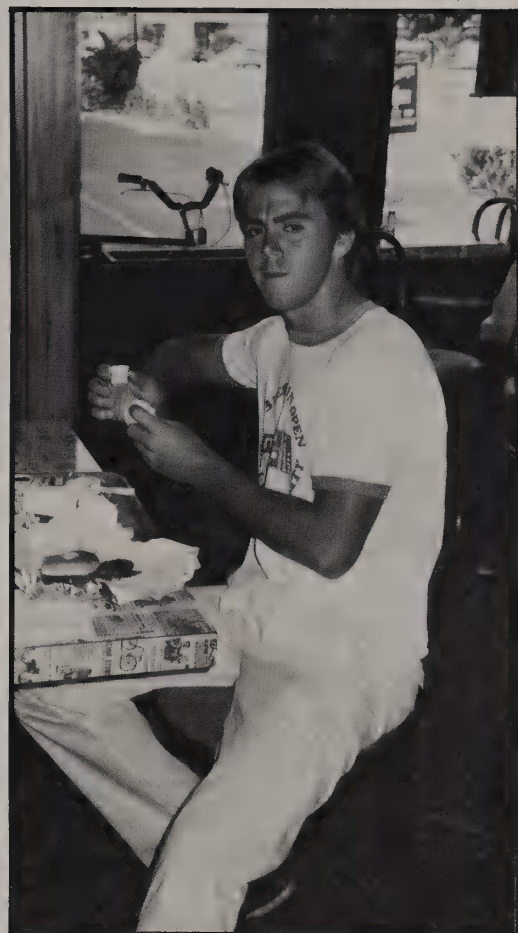

When you say Taco, We say Viva!!!

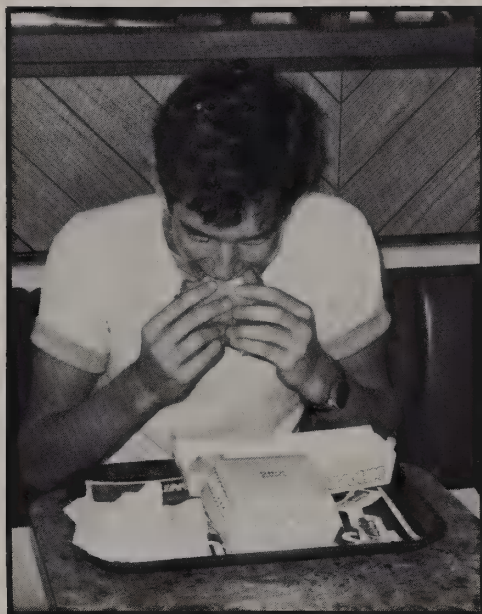

*We're Wendy's kind of people.*

*Brett Beattie says "leave me alone while I'm eating!"*

*Juniors enjoy Chick-fill-a!*

*Is that a real GUCCI Gina Darby?*

*Madonna, WATCH OUT! Here comes Mary Whalen.*

## *Fashion*

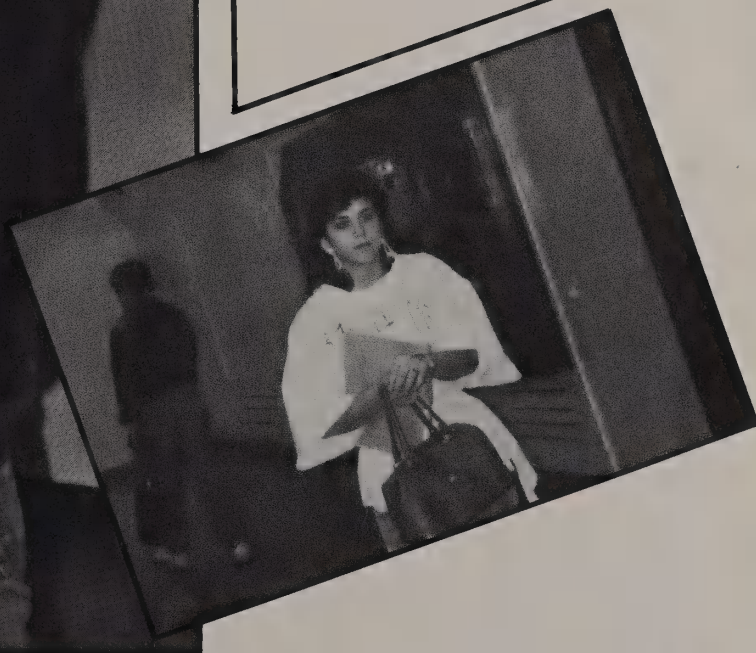

Madonna, Cyndi Lauper, Boy George, Billy Idol, and David Bowie, WATCH OUT! Here comes the kids from Pompano High. Everyone everywhere is involved in fashion. Whether you're a surfer, to a punk rocker, a preppy, or just a plain old blue jean person. Fashion is a large part of a teenagers life. He or she usually spends a large portion of their money to buy their favorite look.

The most recognized names in fashion are GUESS and FORENZA. Guys and girls wear both namebrands. Almost everyone owns at least one article of these famous names. Florescent is the eyecatching, dazzling new look. Crazy bright new colors are found everywhere. Ranging in shirts to pants, dresses, socks, jewelry and even shoes.

A new article of clothing for guys is the long short look. Guys everywhere are wearing long shorts, but they still have to abide by the dress code.

*Clint Lyons and Inger Hemminger show off their preppy blue jeans.*

# Homecoming 84

This year Pompano had a very successful Homecoming. The theme was "The Heart of Pompano".

On Monday students dressed up for Nerd Day. During the lunches there were bubble blowing contests and Mr. Legs contests.

On Tuesday, students dressed up for Twin Day. Wednesday was the notorious Crazy Day.

On Thursday, students dressed up as Tacky Tourists. At dusk there was a bonfire and then everybody went to the gym for an all-city pep rally.

Friday was Gold and Blue day. In the afternoon there was a parade through the city and Friday night brought us the big game against Plantation.

Ending Homecoming week was the dance held by the Junior class at the Hilton on Galt Ocean Mile. Everybody had a great time dancing or just sitting by the beach.

*Tazmanian Devil entrances Steve Kramer and Tara Campbell.*

*Pompano band performs for the all city pep rally.*

*Paul Sennello and Mike Philhower laugh at their competion.*

*Micheal Jackson, WATCH OUT!*

*The gangs all here!*

*Who's your secret pal?*

*Where you in a hurry this morning?*

*Astrid Pfenninger and Stacy Higard cheer on the Tornadoes.*

*Every girls fantasy, Kenny Gamwell and Keith Bowman.*

*Possible candidates for Mr. Legs.*

*And the Contest begins.*

*The three finalists are Louis Rodriquez, Fran Desautels, Kenny Gamwell*

*Never mind the legs, Look at those shoes.*

*A nervous Paul Semello.*

*The newest fad on Campus, Hackey-Sack!*

# Lunches

During Homecoming Week, Student Senate always had something going on to entertain students. On Monday there was a bubble blowing contest, and on Tuesday the jazz band entertained us. On Wednesday there were break dancing contests during both lunches. All week the Freshman class sponsored "Secret Pals".

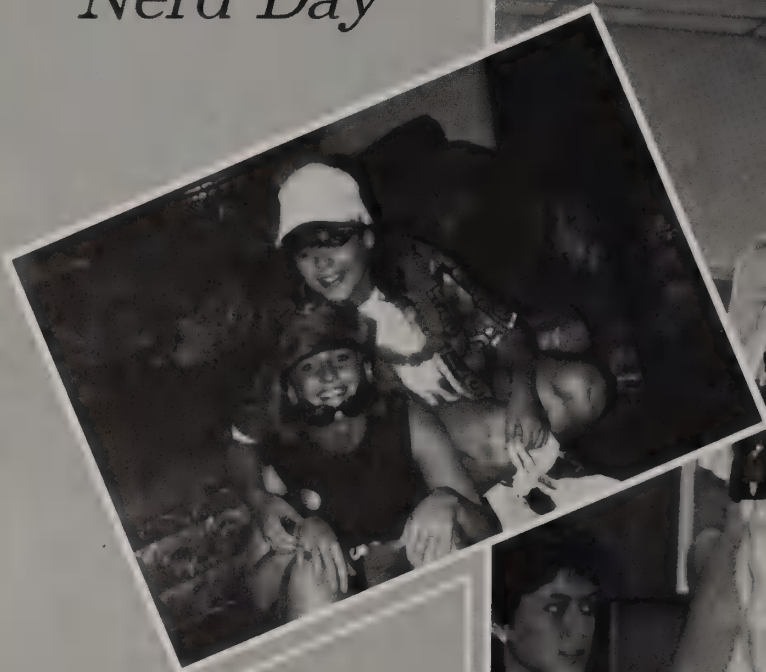

On Monday, the Mr. Legs contest was held. The studliest guys put on shorts and stood up and showed off their tanned, muscular legs. Crowds of screaming, cheering and clapping girls crowded around the guys to vote for the best pair of legs.

*Melinda Nocifora knows how to blow a bubble.*

## Tourist and Nerd Day

*Dave Rouchard bird watching.*

Monday, the first day of Homecoming Week, was Nerd Day. Everybody got out their polyester shirts, wide ties, high-water pants, pocket protectors, calculators, slide rulers and violin cases. Students also greased their hair, taped their glasses and wore socks with topsiders.

On Thursday, students got to dress up like the people commonly seen on the beach during the winter ... Tacky Tourists! People wore bermuda shorts, Hawaiian shirts and black socks. They carried maps, suntan lotion and coolers. What a trip!

*Astrid Pfenninger and Jeff Meyers back from their honeymoon!*

*Trica Mele lets the nerd in herself out.*

*Love that tie Rich Pecurino!*

*Mr. Wilkner, dressed for the occasion?*

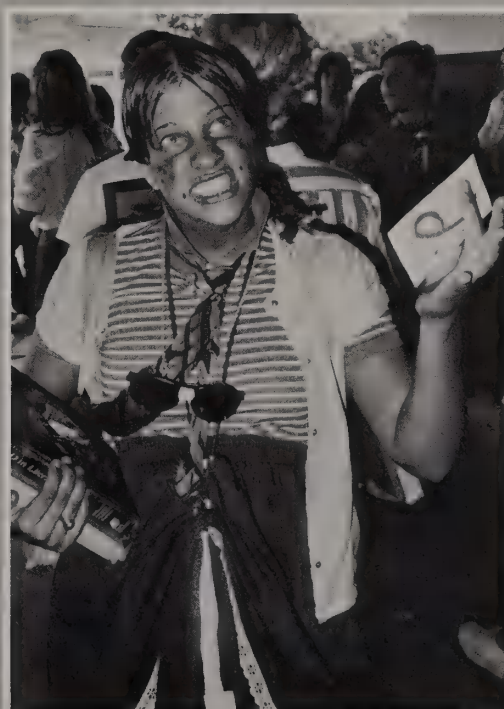

*Revenge of the NERDS.*

*Missy Soldani; "Why does everybody always pick on me?"*

*# 1 Nerd, Michelle Bycynziski*

*Michelle Schwartz asks Line Tetreault  
"Where did you get that outfit?"*

*Jodi Decrescito follows in Elaine O'neils footsteps.*

*So who are you going to call?*

*Polo ATTACK!*

*Susan Wells and Marla Coleman wear  
their sunglasses at night!!!*

*"You've got the cuttest little baby faces!"*

Pompano's Cabbage Patch Kids, Lesley McGovern and Cheryl Rataiczak.

## Twin Day

Tuesday, October 23, was Twin Day at Pompano. The students and faculty chose a friend or two and dressed in matching outfits.

Some of the most popular twins were those dressed up as babies, Raggedy Ann and Andy, and of course, regular school clothes.

It was great fun to parade around, showing off your twin, as well as trying to figure who else was dressed alike!

Twin Day being new to Homecoming week this year.

Here are some student reactions: "It was different" grins Suzanne Baudo. "Something New" says Clint Lyons. Cheryl Rataiczak: "It brings out the kid in people." "I thought I was seeing double." says a laughing Mindy Benjamin. Guess who says: "James Bond is the only double for me"? of course Keith Bowman, who else!

INXS twins, Melissa Fradley and Kathy Burke.

# Lets Go Crazy

Crazy Day, on Wednesday of Homecoming Week was the day everybody looked forward to. The dress code was relaxed and so were the students. Some students rolled out of bed and came to school in a robe and slippers or baggies and a t-shirt.

Most students though, went really crazy. Everything could be seen from togas to female impersonators, punks to nerds, dolls to gorillas, rags to neon-brites, and some things that just can't be described!

During second period, students went to the small auditorium to be judged. Teachers who volunteered were the judges. The winners of the Crazy Day were a three-legged Chris Petersen and female impersonator Rick Burgess.

Wishful thinking, Steve Kramer!

Gary Sweet, what are you smiling about?

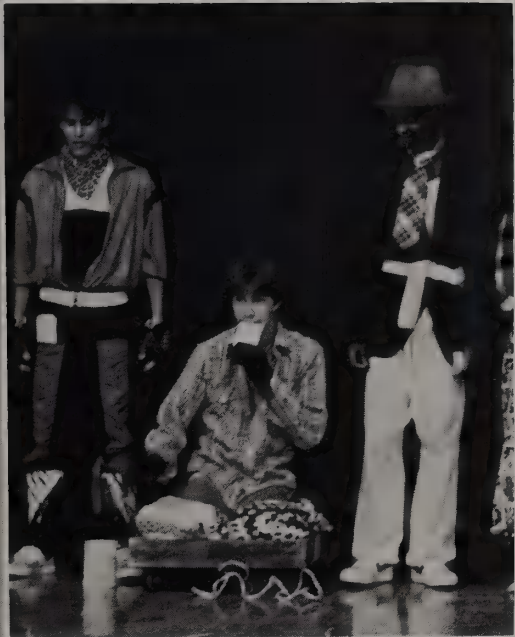

... and the winner is ...

What are you laughing about Jenny Gambeacort?

Pat Mulroy — trading places with who?

The craziest of the crazies; Chris Peterson and Rick Burgess.

Two faces are better than one.

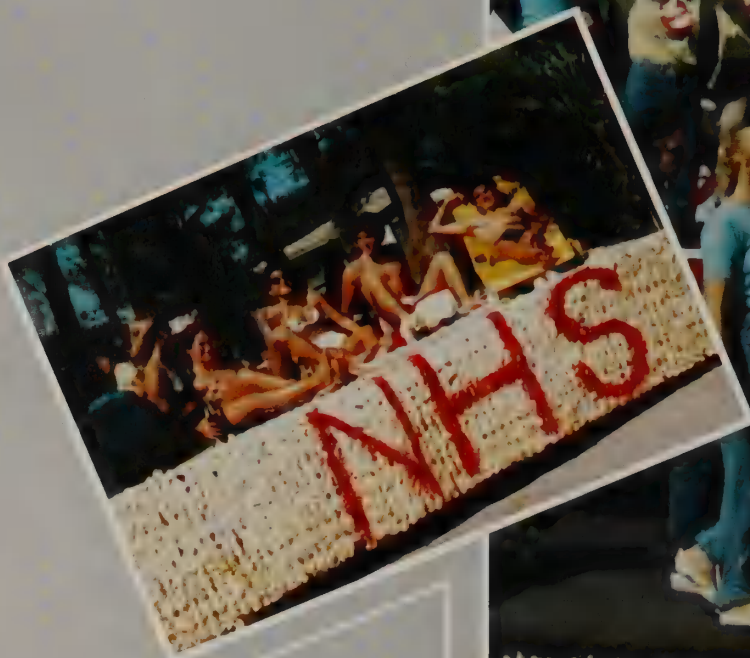

Seniors go crazy ... again!

The judges are amazed!

# Pompanoes Parade

On Friday, October 26, Pompano had its homecoming parade. Students who had spent many of the weeknights at flower parties were able to show off their works to the school and the city. Students were out early to watch their friends and football team, and cheer them on.

As usual, the parade was led by the marching band, followed by all the attendants, sweethearts and floats. Although all the floats were very good H.O.S.A. received first place.

Chorus float was awarded second place.

H.O.S.A. first place float.

*Michelle Thompson enjoys the parade.*

*Interact was awarded third place.*

*The Italian club has fashion.*

*Orchestra shows their spirit.*

*Student Senate sits back and relaxes.*

*Exchange goes Hawain.*

*Senior attendant Wendy Wood and escort Merrick Thomlinson.*

*Junior attendant Vivé Griffith and escort Kenny Gamwell. Sophomore attendant Jennifer Benjamin and escort, King finalist Steve Kramer.*

*Being an attendant or a King or Queen finalist is a great honor. The attendants were chosen by their class by secret ballot. The King and Queen finalists were chosen by the senior class, and the King and Queen were chosen by the entire school.*

*Freshman attendant Laura Beatty and escort Mike Romero.*

*Steve Puritan and Missy Petrone, Interact sweethearts.*

*Rob Marvin and Vicki Rodriquez, Exchange sweethearts.*

*Kim Ford and Brew Horn, D.E.C.A. sweethearts.*

*Christine Reasbeck and Carl Prince, Honor society sweethearts.*

*Jahdie Wooten and Kim Keller, Student Senate sweethearts.*

*Rena Jebrijian and Scott Longo, Chorus sweethearts.*

*Cory Stewart and Heather Elliot, Key Club sweethearts.*

*D.E.C.A. officers.*

*Joe Theobald and Jennifer Scriber, Orchestra sweethearts.*

*King finalist Steve Kramer.*

*King and Queen finalists Clayton Montgomery and Missie Meyer.*

*King and Queen finalists Marc Humphries and Elaine O'Neill.*

*King and Queen finalists Keith Bowman and Marla Coleman.*

*King and Queen finalists Steve Smith and Janet Hill.*

# King And Queen

*King and Queen Steve Smith, and Missie Meyer.*

*The thrill of victory for Missie Meyer.*

*Missie Meyer is proud to be Pompano's Queen.*

*The fighting football player King Steve Smith.*

*Monica Johnson poses pretty.*

*Melinda Nocifora and her date.*

*Three friends enjoy the dance.*

*Katie Boal and Cindi Farmer; friends forever.*

*Kristy Fulp shows us her pearly whites.*

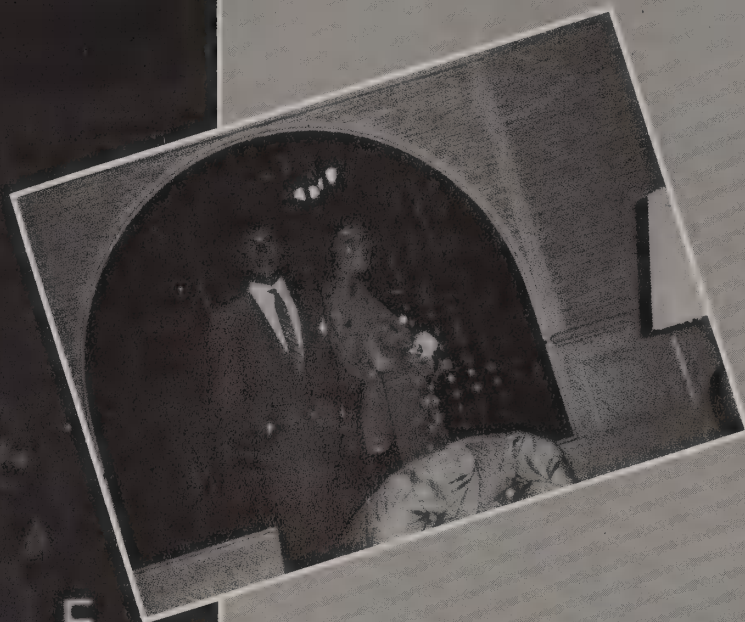

*Candy Bowen and her date are entertained.*

*Our Queen and her date are the center of attention.*

## *Lets Dance!*

The reflection of the moon on the water with the breeze gently blowing through the palm trees, this was the setting for "Homecoming on the Ocean". The Junior Class sponsored this year's Homecoming Dance, held at the Hilton Hotel on Galt Ocean Mile from 8 until 12.

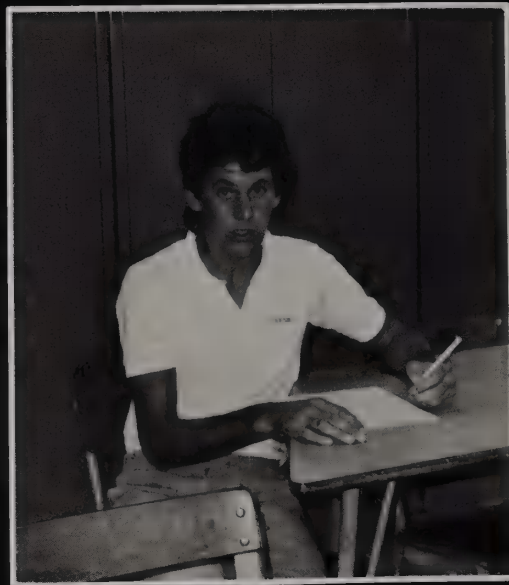

While many danced to their favorite songs, others enjoyed the beautiful scenery. At 10 o'clock everyone gathered around the dance floor to watch our King and Queen dance the spotlight dance. The Homecoming Dance was a wonderful way to end a successful Homecoming Week.

*Lesley McGovern, Marla Coleman and Susan Wells prepare to party!!*

# Seniors

The Senior class has come along way since their freshman year. They have been through alot together, the good times and the bad times. They have shown the integrity and determination it takes to succeed in school. With the help of many fine teachers at this school, the senior class leaves well equipped for the years ahead. But before they leave Pompano Beach High, a look back at some of the events of the past four years is a must. They all remember the first school day when they arrived as naive freshman, stumbling from class to class trying to find their way around, it is every freshman's nightmare. That first pep-rally gave the class its first sense of belonging. Afraid to cheer too loud the meek freshman sat quietly watching the seniors make fools of themselves, knowing their day would come. With the sophomore year came a new sense of self worth. The new sophomores felt a little more assured of themselves now, that they were

no longer lonely freshman. Now that they were sophomores, they started to get more involved in the activities that took place throughout campus. By now many of the sophomores were eligible for employment. With the coming of the junior year, many of the sophomores began to think about college, and with thoughts of college, also came the responsibility of preparing for it. All of a sudden, things like the S.A.T. and A.C.T. became realities. With their senior year almost around the corner many juniors purchased their class rings. Now the moment they've all been waiting for has finally arrived ... their Senior Year! Selecting colleges and becoming financially prepared for it was the main concern for many seniors. With their senior year came many privileges and also heartaches. The senior class really showed their admiration and loyalty for the school during Homecoming Week, by participating in most, if not all, of the events!

# Silver Knights

The purpose of the Silver Knight awards is to recognize outstanding students in our high schools for unselfish SERVICE to their school and community. A Silver Knight award, sponsored by the Miami Herald, is given in each category to the individual whose record of service, citizenship, scholarship and accomplishments exempleifies the use of one's abilities to help others.

Criteria for these awards is based on honors related to category, betterment of school and community, as well as high academic standards. Students must submit a lengthy application, teacher recommendation and Principal approval. Awards are judged on merit and achievements, and the results arrive in June.

Pompano Senior High School takes PRIDE in presenting our eight nominees for the Silver Knight competition.

The class of '86 got off to a great start this year! Our candy sale and car washes were topped only by our very successful Homecoming Dance. We were happy to purchase class rings to show our spirit and pride. Our goal for this year was to get more Juniors involved in activities. Our class enthusiasm and participation was much stronger than any of the years before. We are proud to say that we have greatly increased our funds to prepare for our Senior Prom. I'd like to thank Mr. Lakes, our class advisor, along with the Junior class officers and everyone who has helped to make this year such a successful year. We are now looking forward to an exciting and memorable Senior year.

The Sophomore class had a very successful year. Our first activity was the Sophomore Dance (Sock Hop), which was a great success. Other fundraisers included car washes and a profitable candy sale. The spirit and enthusiasm of the class of '87 has grown a great deal since last year, everyone was relieved to no longer be called "little freshmen". I would like to thank Ms. Marcus for her cooperation and patience, Mrs. McDace for her never-ending help, and the Sophomore class officers for a job well done. With the success we have had this year, I believe our next two years will be the best ever.

I would like to thank the Freshmen class for their help and cooperation throughout this year. They showed much enthusiasm as they helped support with fundraisers and other activities. We have accomplished much this year, thanks to the class of '88 officers. I would also like to thank our advisor, Mrs. Prescott, for help in organizing all our projects and for supporting our class. Our goal is to continue to generate school spirit in our last three remaining years at Pompano Beach High School as the class of '88.

# Administration

*A strong administrative staff is the most important part of a school, and this year we have had the best.*

*The administrative department is headed by Dr. Owen T. Myers. Dr. Myers and the rest of the administration kept the lines of communication open with the students and faculty.*

*It was not unusual to see our assistant principals Mrs. Shurly P. Wiggins, Mr. Joseph Smith, and Mr. Duke Malby, walking around the school handing out passes or absentee bulletins. These tasks used to be handled by aides, but since there are no more aides the tasks have been taken over by the administration.*

*Our assistant principals did an outstanding job this year. Discipline was strictly enforced and absenteeism was kept to a minimum.*

Mr. Malby and Mr. Smith find time to rest.

*Efficiency is the key word describing the secretaries at P.B.H.S. They put order and method into our administrative system and achieve systematic organization out of CHAOS!*

*They do everything under the sun from keeping records to making sure that our history grades are recorded.*

*This year we would like to thank our secretaries for their enthusiasm and wonderful dedication in their job.*

*The Counselors had difficulty fitting every students schedules the way they wanted, but they came through with flying colors.*

*The Guidance Department was always there for the students if they needed to talk about a schedule problem or schedule change. This gave the counselors a chance to get to know the students on a more personal level.*

**Mr. LeFevre is mixing business with pleasure.**

# English

We all know that four years of school is required in our school system to graduate. The teachers in the department try to make these years as interesting as possible. On the surface, English consists of just reading, writing assignments, and those "dreaded" weekly vocabulary tests. But between the lines, these teachers must instill interest in the minds of the students.

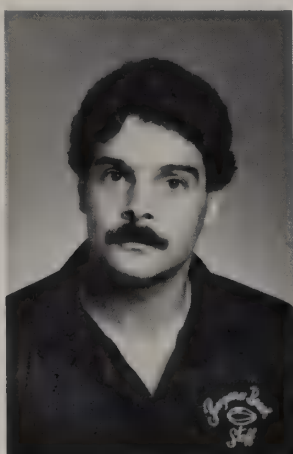

The Pompano Beach English Department Staff consists of interesting personalities; men and women that help the students understand the work assigned. Both the faculty and the student body should be grateful for and proud of the effort put forth by our outstanding English Department.

# Math

Mr. George Orwell would have been proud of our Math department this year. The department has grown tremendously. It offers anything from Basic Math classes to sophisticated college prep courses in Calculus. Some of the courses are Computer 1 and 2, Computer Application 1 and 2, Trigonometry, and Calculus. This year emphasis was greatly placed on Computer learning. Students are not only taught the Basics but also the "Not so Easy" programming. With such a superior Math department, any student who wished to learn Math was given the opportunity. The teachers were encouraging and challenging, and therefore the student excelled.

# Science

*This year's staff brought on an understanding of the numerous science fields, from general science to the complexities of Physics, Chemistry, Biology and Oceanography. The head of the Science Department was Mr. Martin, who also teaches Biology. It was because of this staff of dedicated and involved science teachers that the students gained such a great interest and understanding of the various sciences.*

# Social Studies

Have you ever traveled through the colleseum in Rome? Seen the snow capped mountains of Switzerland? There is only one place you can travel without leaving your seat or spending a dime, the Social Studies department.

Each day you can travel to different lands and take part in different cultures. Watch the sacred rituals of African tribes, to the coronation of a King, the wheat and corn fields, then off to the white sandy beaches of Hawaii. You can learn about the great wars fought to preserve freedom and our prosperous way of life.

When you walk into an ROTC classroom you can feel the atmosphere of the military, from the technicality of an airplane engine to the almost incomprehensible landing of the Eagle on the moons surface. It gives you a great feeling of pride and responsibility being a part of something so important to our powerful nation.

Social Studies not only gives you the knowledge of our nation's heritage as well as the worlds, but it also allows you to experience something only social studies can.

## *Social Studies*

# Business

*The Business Department was quite thorough this year. The teachers taught classes which the students could use long after they graduated. Courses in Typing, Clerical Office Practice, and Business Math gave the students a taste of office life.*

*Thanks to the concern of the teachers and the devotion of the students, a future in the business world may be just around the corner.*

**Mr. Bremke can't wait till Friday.**

The D.C.T. program gave juniors and seniors the opportunity to go to school part-time and work part-time. They were given a chance for on-the-job-training in an occupation of their choice. Many of the students considered their job as an opportunity to get ahead in the business world.

DECA, an especially popular program prepared students for occupations in Fashion Marketing and Distribution. The course offered the students a chance to be responsible leaders and to take an active part in the business world.

The CO-op program was a success. The students and teachers showed a true concern for the need to be prepared for working in the outside world.

**Mr. Simmons and Line Tetrault pose together often.**

# Art

The Art Department here at Pompano has had a very successful year. With all sorts of courses from which the students had to choose no matter if they were a great artist or just a beginner.

Though these courses such as; photography, woods and metals, graphic arts, ceramics, and design and drawing. The students learned how to operate a camera, use their thoughts and ideas to make odds and ends for household supplies.

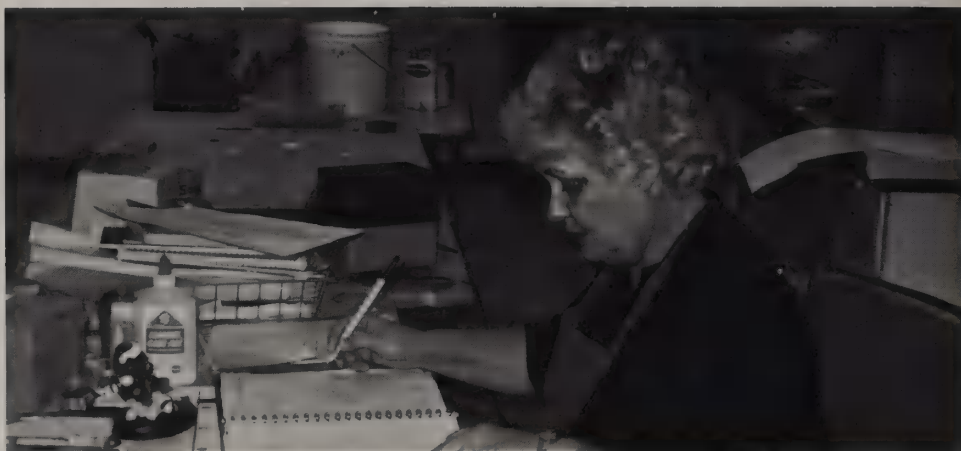

The students learned a trade that they may never forget and it just might become their career. Stop by the art department and you could possibly see an idea that could be used in the future.

Mrs. Capstack — Designing Drawing

No. That's not my mama!!

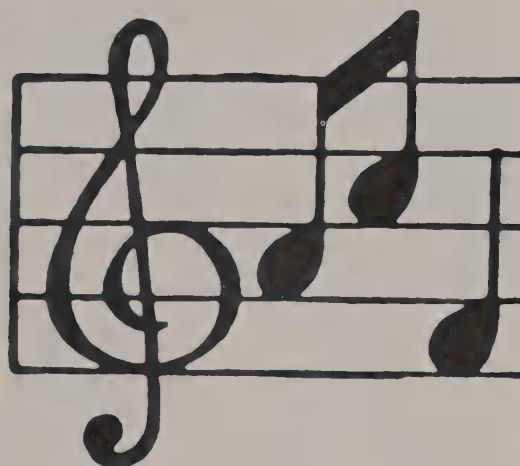

Patty cake, patty cake . . . ?

Tough guys of the music department.

Mrs. Carlson hard at work.

You guys need to blow a little harder to make noise.

Once again, Pompano has had the advantage of having a very talented staff in the music department. Students can learn a variety of musical subjects ranging from chorus to music theory to orchestra.

Mrs. Lori Carlson teaches *Changing Tides*; an all girls chorus, guitar and piano. She's a former student of Pompano High and has established herself as a talented vocalist and a dedicated teacher throughout the school and county.

Dr. Harrison Schlee is the second half of the musical department. He teaches music theory, Jazz Band, Symphonic Band, Marching Band, and orchestra. During his second year at Pompano High, he has strived to teach his students musical excellence.

With the combined efforts of these two talented musicians and effective teachers, Pompano Beach High School has, without a doubt, a superior music department.

## Music

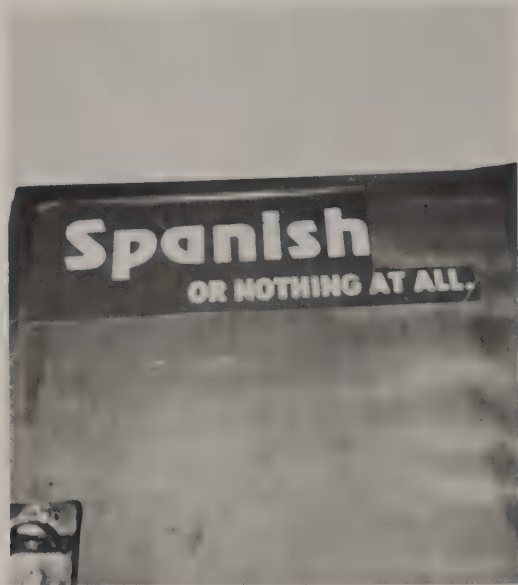

# Foreign Language

The Foreign Language department was a tremendous asset to PBHS this year. This department aided students in preparing for college and the business world by offering a variety of languages.

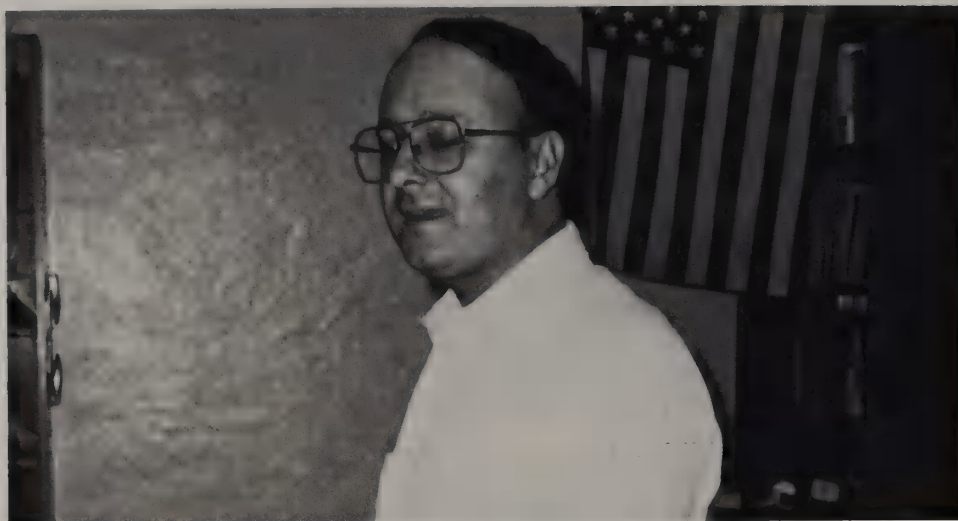

The demand for foreign language students is ever increasing. This group of dedicated teachers helped to equip students by making learning a language an enjoyable experience. Students who studies a foreign language could find unlimited opportunities in employment. In the future, the foreign language department will continue to assist students in bettering their knowledge of a language.

Of course I love to hand out "F" papers.

Not now! I'm too tired.

Bilingual is really a snap with Ms. Asmar.

What keeps you smiling Mr. Mena.

Ms. Callau wonders of the life back home.

Sorry this isn't the immigration office.

*The Bi-lingual department strived to make foreign students feel welcome at Pompano High, as well as teaching them the basic skills for a solid education.*

*Bi-lingual students were encouraged by their teachers to not only excel in education, but also participate in clubs and athletics. Pompano High School has much benefitted from the creative contributions of its foreign students. With each new year, the foreign language department seems to grow not only in numbers, but also in importance.*

# Agriculture

*Mr. Bretz, "on the road again."*

*Mr. Mattinly, hard at work*

Agriculture was an off-campus course offered here at Pompano. The wide variety of classes allowed interested students to choose the class best suited to their liking.

Agriculture science was a beginning course which offered training in science, plant, livestock, and vegetable production. Courses in sandraping and indoor foliage gave students a chance to be imaginative with plants. Livestock Production dealt with the study of farm animals, proper care of the animals, and overall information concerning animals. The students will be the future providers of our nation's food supply and the raising of our livestock.

*Ms. Bauerband, is ready for the end of the semester.*

*The Special Education teachers have done, as always, an excellent job in preparing their students for functioning in today's society. These teachers work closely with Guidance, Administration, and Pschistrists. The classes were small, and individualized lessons were given at the students own level. Extensive records were kept on each student, which included individual reading and math tests, check lists and basic skills.*

## *Special Education*

# Physical Education

## Physical Education

Pompano offers a wide range of Physical Education classes. Interested students are able to take everything from weight training to aerobics.

Our qualified P.E. staff makes sure that students get proper exercise in a safe, enjoyable atmosphere.

*Janitors*  
Pompano's janitorial staff takes care of everything from vacuuming to maintenance, sweeping, mopping and scrubbing.

Our janitors' day begins early in the morning, and ends long after the last teacher leaves. They work very hard to keep the school clean and orderly; they make Pompano a place to be proud of!!!

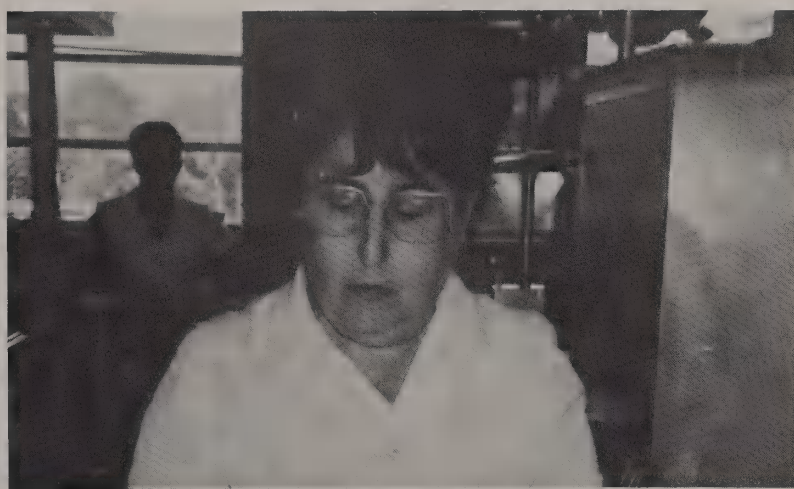

*Cafeteria workers relax.*

*Cafeteria*  
Everyday our cafeteria staff works hard to make sure there's hot meals available for everyone. Students have the choice of the conventional meal, or the new addition; the snack bar.

Pompano students gather in the cafeteria during lunch to eat, discuss plans, study or recover from the first part of their day.

## TORNADOES STRIVE FOR PERFECTION

The 1984 Golden Tornadoes didn't have their winningest season this year, but "Pride and Enthusiasm," kept the team together. Although the teams record was not an outstanding one, their eagerness to get back on the field and work harder each week, was a victory within itself. Among the returning players were Seniors: Marc Humphries, Andrew Jackson, Kenny Kubas, Clayton Montgomery, Steve Purinton, Steve Smith, Jere Spooner, Mark Thompson, Boris Ward, Tevvy Washington, and Lyndon West. Juniors: Jeff Beatty, Leon Biegalski, Ronald Daniels, Stacie Davis, Dexter Dudley, Brad Duncan, William Johnson, David Ritter, Derrick Thompson, and Sophomore Dan Palen. Coach Marguriet says, "We started spring training with twenty-five players, and at the end of the season the same twenty-five players were still there, these men are the ones who will succeed in whatever they attempt." The Tornadoes are now looking forward to a winning season next year.

Coach Marguriet gives Dan Palen some constructive criticism.

Tornadoes move forward to make the block.

Tevvy Washington goes for a first down.

Jere Spooner and Clayton Montgomery dream about being in the NFL.

Tornadoes take time out for a snapshot.

Leon Biegalski makes sure his opponent is out of the play.

Top Row: Coach Long, Coach Marguriet, D. Ritter, R. Brown, S. Davis, L. Biegalski, D. Dudley, W. Johnson, R. Daniels, J. Beatty, B. Duncan, D. Thompson, Coach Lippert, Coach Burke. Middle Row: S. Purinton, B. Ward, T. Washington, A. Jackson, C. Montgomery, S. Smith, L. West, M. Humphries, J. Spooner, K. Kubas, M. Thompson. Bottom Row: D. Palen, M. Romero, F. Walker, C. McNab, F. DeSavtels, M. # Sparkle And Shine

Cheerleading is a way to express  
 Spirit, pride, energy, and finesse.  
 Win or lose, they're on your side,  
 To P.B.H.S. they will always abide.  
 With the dedication that is needed  
 Their enthusiasm is never defeated.  
 Compromise, understanding forgiveness,  
 P.B.H.S. cheerleaders do nothing less.  
 Their long season begins in March,  
 In August, it's camp to sweat and parch.  
 September to November, Football is their game,  
 Next Basketball season, again they must train.  
 Back to practicing from Spring to July  
 It's frustrating sometimes, one cannot lie.  
 Sacrifices must always be made,  
 But being a cheerleader, one wouldn't trade.  
 The rewards are there, they know they've got  
 Values and virtues they have been taught.  
 Learned from working toward common goals  
 With every ounce of patience in their  
 souls.

Learning to care, trust, and respect.  
 At the year's end they can reflect,  
 On what it means to cheer for P.B.H.S.  
 Above all, it meant being the best!!!!

"Y" is for yes, We are the *BEST!*

Pompano Cheerleaders are #1!!

# Looking Toward The Future

Coach Mike Long, captain Luis Rodriguez, captain Mike Romero, coach Wil Lippert.

The 1984 Junior Varsity football team improved over last year's J.V. team. J.V. head coach Wil Lippert and assistant Mike Long were pleased with their teams spirit and hard work. Many Saturdays found the team working and improving. Due to low player turnout many athletes had to play both ways, offense and defense; but this will only make them better prepared to step up to varsity play. Though the season was not a winning one, it upheld the Pompano traditions of its pride and enthusiasm.

# JV Builds For The Future

Don't fall!

The Junior Varsity Cheerleading Squad had a year of learning discipline and cheer techniques. They started the year in August at Camp Universe in Wildwood. At the end of the five days they had formed new friendships in addition to mastering cheers, dance moves, and mount formations. The JV squad was fortunate to have Ms. Tatum as their coach. Her professionalism and patience helped things run smoothly. Lesley McGovern was the assistant coach. Her talent and past experience was beneficial. She helped the squad look polished and sharp. The primary goal for the JV squad was training and improving their skills in preparation for Varsity Cheerleading in the 11th grade. This year's squad consisted of 4 sophomores and 7 freshmen. The squad was led by Captain Jennifer Benjamin. The girls worked hard as a team and the end result was a year of growth and maturity.

## Girls

This was a definite rebuilding year. Only one returning letterman, Della Anderson, was on the team. In the district, the girls placed twelfth out of nineteen. Denise Rawlings, a freshman, was one of our top runners. Other runners were Natalie Wahley, Renee Thesis, and Chris Gilmore. Hopefully next year the team will have a successful season with these returning runners.

## Boys

This year's team was one of the better teams of the past. At one point in the season they were ranked sixteenth in the state. They were rated as one of the top 3A teams in the district. This year's team was led by three seniors Merrick Tomlinson, Wayne Harlow, and James Adams.

Tomlinson was rated as one of the top twenty runners in the state. Also helping the team were two sophomores and three juniors, Fred Betts, John Neville, Aldolfo Nino, Gordon Tomlinson, and Stacey Kurts.

Having such a good season was a tribute to this team's dedication. We wish them much good luck in the future.

This years wrestling team promises to be a great team in the future. The team itself had a 300 percent turn around from last year. Next year, we will be seeing a full varsity squad with some experience. To be a wrestler it takes an athlete with a lot of self confidence, strength, quickness, and willingness to go into a new sport.

The Pompano wrestling team has had there first victory since 1982 when the wrestling program opened up. The victory was a sweet one, 41-32 against Dillard. From this win, Pompano wrestlers look forward to be a county power house team in the future. The returning athletes from last year's wrestling team are: Kevin Herrigan and Mike Romero. The following wrestlers should be watched closely in the future: Brad

Barler, Bob Irving, Chris Meyers, Brad Paulmaire, and Stacy Davis.

The Girl's 1984-85 Volleyball team finished the season with dedication. Although the season wasn't a winning one, the girls persisted on giving one hundred percent into every game. Captains, Suzanne Baudo and Michelle Macy, led the team through a season of high spirit and teamwork.

Teamwork was the leading point in the girls playing. They stuck together through every game; and best of all, they had fun while they were at it!

The Seniors were: Suzanne Baudo, Shelly Byczynski, Lisa Del Bosque, and Michelle Macy. The Juniors were: Tammy Feldman, Monique Kozlusk, Alice Tuck, and Allison Weldon. The Sophomores were: Stacy Higerd, Sue Hodges, Tracy Kalpakjian, Justine Kuehn, Denise Rigopoulos, Mandy Southern, Carolyn Taylor, and April Townsend. The Freshman were: Page Cauthern, Nicole Hamilton, Margo Mitchell, Delia Salmons, Lesley Stuart, and Theresa Wells.

The teams' theme was "Spirit and Tradition." Spirit, because it helped them to believe in themselves and got them psyched. Tradition was to remind them of all of the other athletes who worked as hard as they did.

The 1985 edition of the Pompano Beach Golf Team was quite a young team as we carried only one senior. Still the team completed an outstanding record and should be a really strong contender for the next year's District Championship.

One of the factors that made the team outstanding was the several players that contributed greatly to the winning efforts. Several of the more seasoned players were underclassmen and can be counted on to contribute heavily to a bright prospect for next year.

The talented Coach Atwood led the team which included Dave Bremke, Russell Hubartt, Brian Kearns, Gordon Tomlinson, Sam Shipley, Jeff Faucett, Tim Fyke, and Chris Selbach. These young men definitely will be going places in the years to come, especially

in the golf world.

The newcomers on the team were Dave Bremke, Russell Hubartt, Sam Shipley, Jeff Faucett, Tim Fyke and Chris Selbach. Their inexperience was overcome by the returning players Brian Kerns and Gordon Tomlinson. They showed their superior performance once again. They worked hard to overcome their lack of experience on the team.

During the season the Golf Team of Pompano Beach High School defeated the following schools; Deerfield High, Cooper City, Ely High School, Stranahan, Northeast, and Fort Lauderdale High.

# Just For Kicks . . .

On the first of November the squad of girls assembled who during the next four weeks were to become the Tornadoes Girls Soccer Team. The team was very fortunate to have eight of the girls who played on the team the previous year along with the same coach which provided for some continuity. The squad was increased to over twenty with some girls who had played the game before, but mainly ones who were completely new to the game of soccer.

Some games were lost due to the fact that the team played against large 4a schools with double the size of soccer squads, but even in defeat the Tornadoes remained "PROUD" which is a quality the team always maintained. December 21, 1984 will go down in the Girls Soccer Records as the first victory in eighteen games. Northeast suffered the 2-1 loss. The new year was very promising for the Lady Tornadoes. They continued to work hard and win more games than ever. Coach Thompson said "The greatest part about the team is the friendship, enthusiasm and pride in the performance of my girls". The seniors who have been with the team all the way through high school, will be leaving with the great consolation of being a winning team.

*The Golden Tornadoes Soccer Team enjoyed another in a long line of winning seasons. It was a team with balance, good offense and defense. The Tornadoes were a goal producing machine led by high scorers, James Joseph and Waldeck, Saint Fleur. Other upper classmen helping to produce goals were Joseph Wadson, Evens Pericles and Steve Smith. The midfield was led by Dave Levenson. Anchoring the defense were Joseph Nemorin, Merrick Tomlinson, and Don Oliver, sweeper. "This was the team that took three years to build, and it reached its potential," stated Head Coach Wil Lippert.*

# Off and Running

The 1984-85 girls track team had a good season. Headed by Coach Cato, they came across as a strong team, although the majority of the members were new. The four returning members from last year were Stacey Higerd, Christine Pierce, Astrid Pfenninger, and Natalie Wahley. The other members included Denise Rawlings, Tanya Grannemann, Dawn Pfeifer, Cindi Farmer, Jennifer Horne, Cindy Schomberg, Maria Shudark, Mindy Benjamin, Sherri Gustafson, Lorine Davey, Trica Dowling, Dorthea Nesch. Although they did not have the experience that the other teams had, the turn-out for girls track was large. And they are looking forward to having a more experienced team next year.

# Boys Track Sets The Pace

The 1984-1985 Boys' Track Team were off and running to a good season. With coaches: Cato, Lakes and Marguriet, and captains: Merrick Tomlinson and Mark Thompson, enthusiasm and determination was a sure factor. The team consisted of seniors: Tomlinson, Thompson, Harlow, Smith, Burke and Humphries. Juniors: Soto, Dudley, Delegal, Schlaebitz and Nino. Sophomores: Romero, Desaultes, Neville, and Betts. Freshmen: Gardner and Kubas.

The determination of this team tells us that leadership and quality can be expected in years to come.

The team captains: Mark Thompson and Merrick Tomlinson attended the Florida Relays track meet in Tampa. Mark had an outstanding showing with a first place victory in the 110 hurdles. Merrick also had a very commendable showing in the 3,000 meter race, he placed among the top runners.

The Pompano Beach boy's track team had a very competitive year, and they stuck it out with great performances. These young men should be congratulated for their time and efforts.

The team consisted of two returning players of outstanding ability who competed at different levels of competition. These dedicated returnee's, Karen Riefler and Inger Hemminger, grew into the position of team leaders. They instructed the team and were at Coach Lambert's aid at all times.

Coach Lambert celebrated her tenth year as tennis coach for Pompano. Miss Teresa Lambert, quite famous as a local player, guided the team to a successful season with her oncourt experience and excessive training routine.

The 1985 Boy's Tennis Team is trying to maintain the tradition of tennis here at Pompano. Over the past four years, Pompano's Boys' Tennis Team has gone undefeated in conference play. Another strong year is expected with most players returning from last year. Star players returning are Clint Lyons, Brett Beattie, Kenny Hazlett, Chris Slack and Bryan Happ. There were nine members on the team, consisting of three new faces. They were a very dedicated group of guys who besides putting in two hours of practice everyday, contributed much more in individual practice.

The boys' team was guided by the excellent skill of Coach O'Neill. Mr. O'Neill nurtured the talent and dedication of his players to produce Pompano's finest team ever.

# Softball Swings into Action

## "Redeeming Pompano's Reputation"

Pompano Senior High School's 1985 softball team's goal for the season was to bring some respectability back to its reputation. Although the team got off to a slow start record-wise, that goal was achieved the first time the girls took to the field.

It was "back to the basics" from the start, beginning with two new coaches, Miss Pam Williams and Miss Rainee Porsch. Miss Williams, a first year coach from Opp, Alabama, felt that the spirit the girls showed throughout the season was one of the main factors in the team's success. "Success or failure is not as important as enjoying your effort and experiences."

Miss Porsch, a Pompano High Alumni (1979), agreed that the girls worked well together and, "that always makes a difference." Miss Porsch stated, "If you enjoy what you're doing, your performance will improve 100%." And that was what the team worked towards — improvement.

With six returning seniors, the leadership on the team was strong. Senior Lisa Rhodes was selected by the team as the captain for the season. Seniors Lisa Delbosque and Sherry Sadler were chosen as captains of the outfield and infield, respectively.

Eleven newcomers joined the team to fill out the roster, and six of these were Freshman. Throughout the season, it became obvious that the team had made a change for the better. Pompano High's softball proved to themselves, their opponents, and their fans that they were a team, and one to be reckoned with in the near future.

# Take me out to the *Ballgame!*

The 1985 Pompano Beach Tornado Baseball Team was led by captain Tim Brucker. The left handed Brucker led the Tornadoes on the mound and anchored first base when he was not pitching. Tim Brucker was a solid hitter with 3 yrs. of scholastic experience who led by example!

Seniors Paul Sennello, centerfield, John Trautman, right-field, and Frank Amendola, second base, added punch and experience to the starting nine. Sennello was expected to lead the club on base paths.

Sophomore Todd Claus was outstanding at shortstop during pre-season, and belted a homer in Pompanos second game against C.G.H.S. Claus was rated as one of the top short stops in 14 AAA competition.

The all purpose Leon Biegalski started at third, and played first when Brucker was pitching. The Tornadoes looked toward catcher, Dave Ritter to produce clutch hitting and gun down enemy runners.

Juniors Rick Bedell, Curt Russom, and Rob Barnard rounded off the Tornado pitching staff, and sophomore Pete Zingarella was a valuable utility infielder. New comers Kenny Gamwell, Jim Bacchus and Doug Haynes added depth to the club.

A good season from pitcher Brucker and Bedell combined with clutch hitting made a successful season for the Tornado nine. The defense was solid and timely hitting was the key to the season.

# Oracle Makes . . .

This year's Oracle produced four quality issues. The staff was new and inexperienced and eager to put out a winning newspaper.

The theme of this year's Oracle was "quality not quantity." The 1984 Oracle was sent to competitions and many of the staffers attended seminars and workshops in order to enhance the quality of the paper.

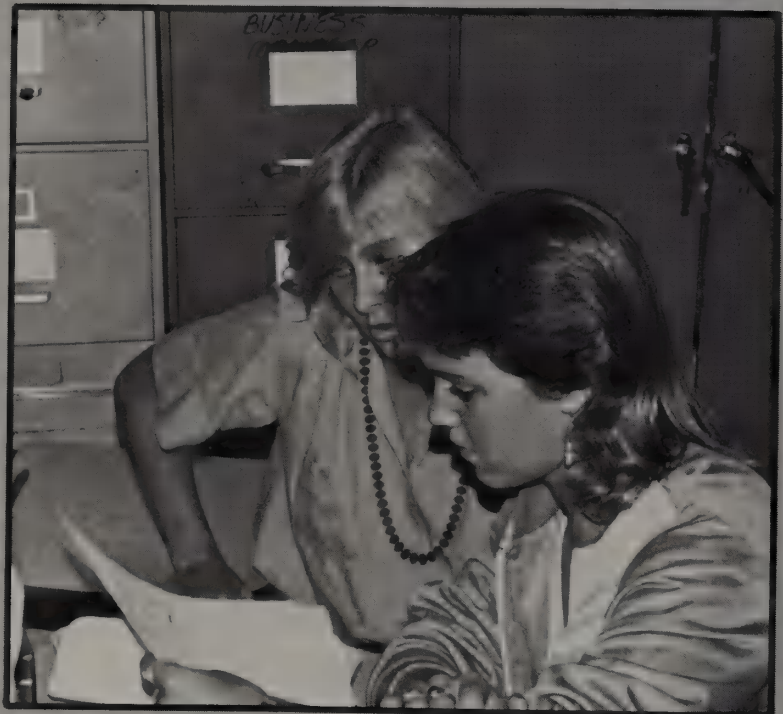

The first priority of the newspaper was to bring forth ideas and information to the reader. The second was to entertain. Some issues included advice columns, movie reviews and editorials.

This year's editor-in-chief, established her own "open door" policy in which anyone with any suggestions could give them to her and she would consider them.

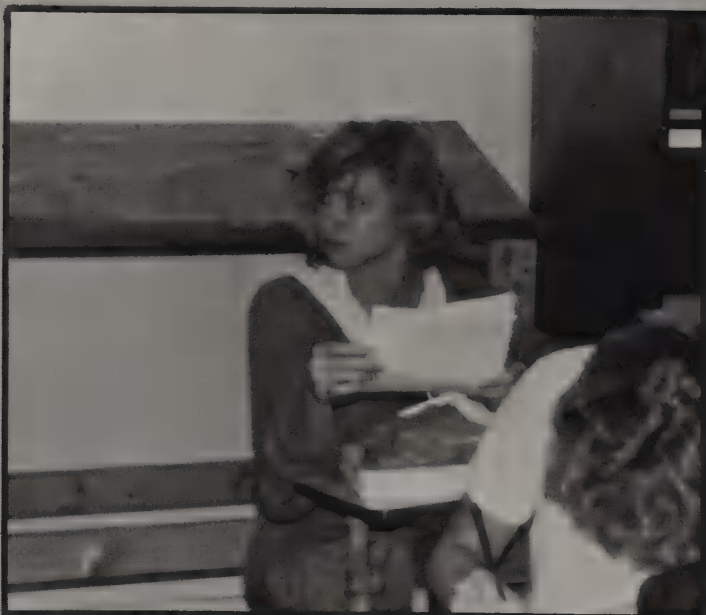

Mrs. Asmar, the new Oracle advisor, also taught the class aspects of broadcasting.

# DCT Means Business!

Diversified Cooperative Training is among the many classes offered at Pompano Beach High School. The Diversified Cooperative Training class give students an introduction to the tough world of business. Mrs. Wilks, an expert in the field of business, has been the advisor of DCT for seven years now, and she enjoys it tremendously. There are many students involved in the Diversified Cooperative Training program. These students attend school for the first half of the day, and then they go to work for the rest of the day.

Students who are involved with DCT also get a head start in the business world. By going through job training, they learn how to get along with different people. The students participate in many activities throughout the year. At the beginning of the year, they have a breakfast for the installation of officers. At the end of the year they have an employer awards contest. This is when the employer recognize their employees by giving them awards.

Besides giving the students a head start on the road to success, this program also helps students build up their character.

DECA's largest annual project is the Shoplifting Prevention Campaign. This manual of activities was among the top eight in the nation last year at the National Competition. The campaign involved consumer and retail surveys, a police presentation, coverage by all types of media, and a play about shoplifting. Mr. Simmons, DECA advisor, believes that with this years' super group and even more activities the campaign will place in the top three in the nation.

Other events sponsored by DECA was a Drunk Driving Awareness project, the Annual Employer-Employee banquet, various sales projects, and an Installation of Officers at City Hall by Mayor Olsen.

*A typical day in fourth hour Tradewinds.*

*Who ya gonna call? Leslie Linder, Donna Huesbo and Donna Breitenstein!*

When the lights dim and the curtains open the audience is dazzled by the 32 young performers dressed in black red and white. What's so amazing about these people? The talent that these students, ranging from 9th to 12th grade, have in combining their vocal talents with choreography, skits, and perfect harmony. Tradewinds, the advanced chorus, performs many concerts outside of their spring and winter concerts. They've performed for many audiences ranging from Harrisons Imperial House to a Christmas concert at Glendale Federal. Pop music isn't the only music that Tradewinds performs though. During the Spring, they compete in classical music and a Jazz medly that was entered in the "Special Category" division. On top of all of this, on December 8 and 9, Tradewinds was given the honor of participating with a mixed chorus of over 1000 voices in Walt Disney World's Candlelight Christmas ceremonies. When the school year is almost over, the entire choral department gets together at a banquet to honor the outstanding students and exchange memories of exciting performances, successful achievements, and the good times shared with special friends.

Changing Tides has had a very successful year. They participated in the construction of a prize-winning homecoming float titled "Ghostbusters". They also participated in many fund-raisers such as M & M sales, car-wash-a-thons, cookie sales and ticket sales. The profits of these fundraisers went to the Choral Department's fund, uniforms, and for a scholarship for one talented senior. Besides the float and the fund-raisers, Changing Tides spent countless hours learning and practicing Christmas carols pop and classical music to perform in the annual winter and spring concerts. Some of these songs are cleverly choreographed not only to appeal to the judges at contests, but to appeal to the audiences as well. Thanks to the musical direction and leadership of Mrs. Carlson and officers Della Anderson, Stephani Dana, Mary McGuire, Angie Fortson, Angie Woods, Dawn Dischert, Kendra Patrick, and Cynthia Salem, Changing Tides has had an extremely productive year!

## "Life Is Too Precious To Waste ....

Key Club is a youth service club. they are in existence to help those less fortunate than we are. Key Club prides themselves in the happiness they bring to others as well as themselves. The international theme is "Manhours for Mankind." With over 100,000 members in Key Club throughout the Western Hemisphere they could produce over 5,000,000 service hours.

During the year Key Club attained many goals that they had set for themselves. Two major goals were the District Convention in Daytona Beach, and the International Convention that was held in St. Louis, Missouri. The Kiwanis Club held luncheons for the Key Club every other Wednesday at 12:00 noon at the Harrison Imperial House.

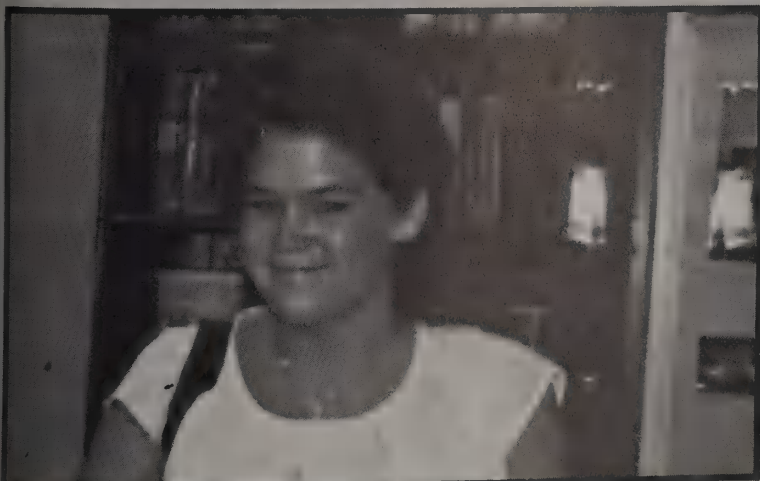

One of the most important things that Key Club does are the service projects. The projects done by Key Club were; caroling on Unicef Day to raise money for Unicef, and painting the school marquee.

# Marching Band Blows 'em Away

Did you ever drive by the football field on a Tuesday or Thursday night and wonder why the lights were on and what all those people were doing on the field in the yellow t-shirts? Naturally everyone knows it's the Pompano High marching band practicing their show over and over until it reaches the perfection that the band director Dr. Schlee demands. The band's show looks alot easier than it really is!! It takes time and money and relentless dedication to put together a prize winning show. This year the Golden Tornado band performed, not only, at the High School football games but at Elementary schools, pep rallies and numerous contests. They received many awards like second place in the Deerfield invitational and the Taravella "Our Town" contest. Or straight Superiors at the Florida Bandmasters competition at Lockhart Stadium. Each group won individual awards too! Pompano had the talent to bring home "Best Woodwind" "Best Guard" and "Best Drum Major". The Band officers and section leaders play a great part in the leadership and organization of the band. They teach anything from the music to drills and passing out uniforms and music for performances. The entire band practices and performs on the field a show everyone loves to see. That's what makes them the pride and gem of the goldcoast and of Pompano Beach High!!!

Enthusiastic music adds to Pompano's endless spirit.

# Symphonic Band

Talent, class and style are three words that are commonly used when describing the Pompano Beach High Symphonic Band. The Symphonic Band plays mostly concert band music. They participate in many activities throughout the year. The band performs in many Christmas concerts and spring concerts. They also compete in the Florida Band Masters Concert, solo and ensemble competitions, and this year they attended a spring competition in New York.

The Symphonic Band begins its term directly after the end of the football season. The Symphonic Band's instructor is Dr. Schlee. The President is Sean Duffy; Vice President, David Peasall; Librarian, Gail Shivel; Quarter Master, Eric Bowles.

The Jazz Band, also known as the Dance Band, consists of twenty-one players. They have a repertoire of sixty-five pieces. The Jazz Band plays music that ranges from jazz, big band sound, rock and roll, to ballads. Although the Jazz Band does not compete, they do participate in many other activities throughout the school year. They play for the school, during Homecoming Week and Christmas. They also play at many banquets. The Jazz Band performs in fifteen concerts per year, playing for such groups as the Kiwanis Club, the Elks Club, and the Knights of Columbus.

# SAC And SACETTES

One of the many privileges seniors enjoy is being in a SENIOR only club, SAC and SACETTES. This club is dedicated to supporting the school athletes and activities.

With the cooperation of all the officers and this year's sponsor Coach Burke, many of the goals they set were accomplished. Sac and Sacettes sponsored many picnics and other types of social events.

This year the club had a Nerd Float in the homecoming parade. Sweethearts were also elected, Paul Krayski and Shelly Telling.

This special group of SENIORS met every other friday, after school at 3:00. The 1984-85 officers were; SAC and SACETTES presidents, Andrew Jackson and Jodi DeCrescito; Vice-presidents, Paul Sennelo and Elaine O'Neill; Secretaries, Kevin Carlson and Susan Wells; Treasurers, John Trautman and Lisa Delbosque; Paliammentarians, Dennis Combs and Cora Walls. # Exchange: Unity . . .

This years Exchange Club was one of the largest ever. The addition of the "guys" made the club a mixture of personalities. This addition led to even more projects and overall fun. The presidents were Cheryl Rataiczak and Clayton Montgomery, vice-presidents were Leslie McGovern and Rob Marvin, Secretaries Jodi Decresito and Marc Humphries, treasurers Rhonda Cardwell and Kenny Gamwell, Parliamentarians were Kenny Kubas and Mary McGuire.

The club was roughly 120 members strong. The club was so large, the meetings had to be held in the small auditorium. With all this man-power, the club did several activities and service projects. The club took a group of orphans to Disney World, many for the first time. They decorated for the Homecoming dance, had two Blood-drives, conducted a Christmas show at the community hospital, and donated money to less fortunate children. The Exchange Club also did the annual "mum" sale, and decorated a float for Homecoming. All the time and effort put forth by the club was rewarded by the end of the year banquet.

The Exchange Club was proud of what they accomplished this year. This group of enthusiastic young men and women did their best at helping others.

# Drama: In The Spotlight!

It was a great year for Drama Club. We had alot of fun putting together the three one act plays which were presented on November 28, 1984. We presented One Flew Over the Cucoos Nest. It was alot of work, and well worth it. We all had a great time this year thanks to Mrs. Langteau for all of the time and effort she put forth to help make both of these shows a great success!

Kevin Carlson

Drama is not only a class at P.B.H.S., but an active club as well. It also allows students that have talents in the theater to show off their skills. As an active drama member and officer I can say that after performing on stage in front of an audience, and seeing as well as hearing their reactions you can never experience a more natural high.

The Commandant of the corps is Colonel Dick Rung who served 29 years in the Air Force as a fighter pilot and as the Professor of Aerospace Studies at the University of Illinois. Colonel Rung's two assistants are Lt. Col. Tim Tschetter, a 30-year Air Force veteran who flew mostly transports and some fighters, chalking up over 7,000 hours of flying time; and Master Sergeant John Evans, a 20-year Air Force veteran with extensive aircraft maintenance experience who also taught AFJROTC for 5 years at a Milwaukee high school.

Corps activities this year include three bus trips to Homestead AFB (Thunderbirds, Base Tour, and Orientation Flights), an overnight bus trip to Patrick AFB and the Kennedy Space Center, a corps picnic, a parent/cadet awards banquet, a Military Ball, and several drill team and color guard trips and activities.

Interact is especially unique because the interrelations with the adult community. The sponsor for Interact is the Rotary Club, one of the most respected organizations in America. The Rotary Club had its annual Christmas Tree sale in which members of Interact aided in selling and loading the trees. Interact also donated a tree to the school. Interact had 60 members this year, and most everyone helped during Homecoming week. Missy Petrone and Steve Purington were chosen to represent Interact in the annual Homecoming Parade. The club officers were Kieth Bowman, president; Sherry Sadler, vice president; Suzanne Baudo, secretary; Elaine O'neil, treasurer. This year and for all the years to come the main goal for Interact will be to serve the community.

This year Honor Society tried to assert themselves as one of the most active clubs on campus. In many aspects Honor Society exceeded their expectations. Two major service projects accomplished by them included a can food drive, and aid for college bound Seniors.

The main purpose of Honor Society is to provide students with the opportunity to get together and do something meaningful. The club did do something meaningful this year as they did their best to update and repair the school. The president of Honor Society, Paul Krayski stated, "I think that the Honor Society is a great club. I feel that it should help all of the students in the school in receiving the best education that they can. I want to get something done that is noticeable." Mr. Alderman expected each member to set a good example in citizenship, scholarship, leadership, and service.

Doug Delegal takes us out to the farm.

Among the variety of subjects offered at Pompano Beach High School, students have an opportunity to learn agriculture in Future Farmers Of America (FFA). Mr. Bretz, a teacher with 21 years of teaching experience behind him, teaches agricultural mechanics and farm. In agricultural mechanics students learn to work with tractors and other farm equipment while in farm, they learn to raise livestock. Each student is responsible for his or her own animal project. It can range from intermating breeds of animals to disease management, both which involve the care and maintainance of the livestock.

Mr. Mattingly, who's taught for five years, teaches horticulture. This subject involves landscaping, care and maintenance of plants, and plant diseases. Students learn from Mr. Mattingly how to correctly plant and raise plants as well as helpful landscaping techniques. By the time the end of the year rolls around, FFA has given students the advantage of preparing them for a prosperous career after graduation.

## Buono Fortuno . . . Good Luck!

Many people feel that you have to be Italian in order to be a member of the Italian International Club, but this is not true. People of all nationalities have the privilege of joining this active club at Pompano Beach High.

This year the Italian International Club got off to a great start. Under the direction of Ms. Andria, and the leadership of Melinda Nosifora, Tiziana Cerri, Donna Petritis, and Donna Russo, the club has made a lot of progress. During the first semester, they participated in a service project to help beautify the school's campus. They also served sandwiches to the teachers.

The club was originally named the Italian Club in 1981, but because the Italian class was dropped in 1983, the members felt that they should change the club's name to Italian International. They felt that this would encourage students of all nationalities to join.

The club held its meetings on Tuesdays after school, and they participated in Homecoming Week. The theme of their float was, "Fashion at Pompano Beach High." On this float, they demonstrated all of the different fashions worn at Pompano Beach High.

# Happy Is . . .

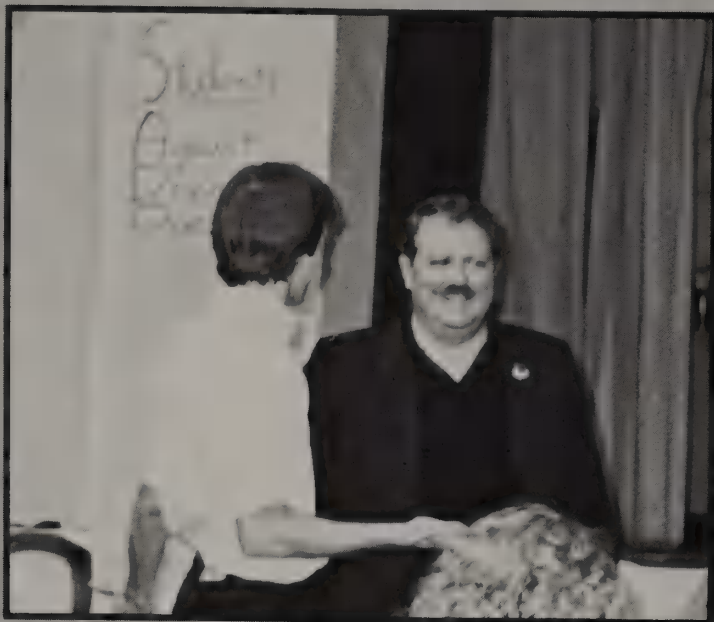

The S.A.D.D. program was started this year at Pompano. It's success is due to a slide presentation shown by the National Safety Council. This presentation was entitled "Scared Sober". It was narrated by Mr. Mack McCann, Highway Safety Consultant. His powerful voice backed by his emotions the impact of the two, influenced the students on the effects of driving drunk. With the first S.A.D.D. meeting officers were elected. For President; Carl Prince, Vice-President; Lisa Rhodes, Treasurer; Clint Lyons, Secretary; Kim Keller, Public Relations; Vicky Rodriguez. # Yearbook . . .

Many people do not realize the time and effort that goes into producing a quality yearbook. All yearbook staffers must have extreme dedication and must work hard toward meeting all deadlines. This year's staff was a shining example of what dedicated people can really do!!

The production of the book began early in June when four members of the staff attended a yearbook camp in Orlando. The four staffers attended meetings all day long in order to bring new and exciting ideas on how to present the year in style. The editor-in-chief, Susie Dubuc used the new ideas throughout the year in producing the most original yearbook possible. Without Susie's extreme dedication and help this year's book would have not been possible.

This year's staff was led by the energetic Ms. Asmar who was teaching here for the first year. Her stern leadership helped in making the production of the yearbook smooth and organized.

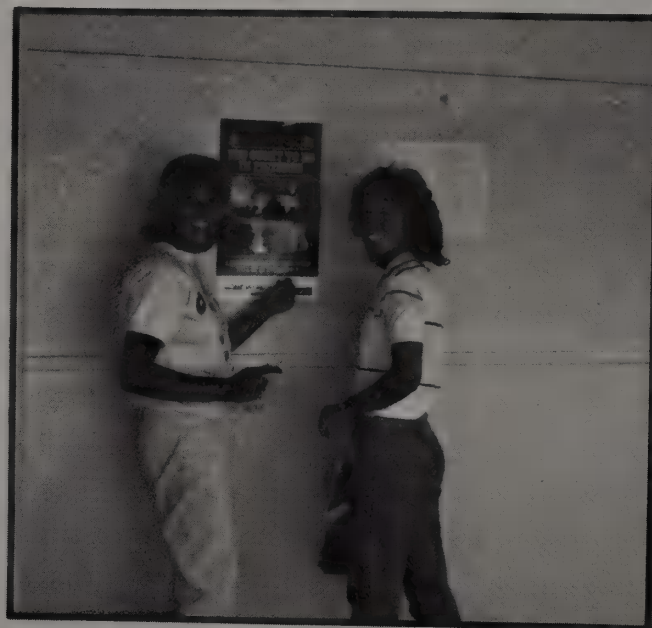

This year's book is one both the reader and the entire yearbook staff can be proud of!!!!

## limp Enterprise

Look . . . up in the sky!! It's a bird, it's a plane, it's a zeppelin (well almost)! No!!! It's the Goodyear Blimp Enterprise keeps a watchful eye on Pompano Beach.

Pompano Beach is extremely privileged and proud to have one of only four blimps cruising the skies of the world. To show appreciation to the blimp the City of Pompano Beach has given the blimp access to the Pompano Beach Airport. The blimp has definitely added something special to Pompano Beach. The Enterprise has become a tremendous tourist attraction and an incredible sight to our community. Its mere sight in the sky is an imposing figure.

At night the Enterprise is not just a blimp, it becomes a floating display of colorful messages that light up the sky. Residents can rest assured that the blimp will remain over the skies of Pompano Beach for a very long time. The Goodyear Corporation has constructed a halfmillion dollar hanger to accomodate the blimp in any situation. "This move by Goodyear will prove to be economically sound because they will not have to carry an extensive wardrobe of sweaters and rainjackets to accomodate weather changes!"

Yes, the blimp has added something extra to the city of Pompano Beach. It's presence is a great asset to our community and will continue to be greatly appreciated. Keep the blimp here, buy Goodyear tires!

## e Did It!

We finally accomplished our #1 goal. We have had our share of problems like any other yearbook staff has, but we did it and did it well. With our dedication and hard work the '85 Beanpicker is something to be proud of. We have all worked extremely hard this year and I would like to thank you all very much. Christina, we couldn't of done it without you. You took the whole load on yourself and took some superb pictures. Your helping hand was always near at deadline time and your help was always appreciated. Chris, you worked hard and long to create a Student Life to be proud of. Lesley, with your great artistic ability, you proved that Pompano really is exciting. Mindy, Shelly and Kelly, you've done a great job. With your great accounting and organization you made our goal become a reality. Gary and Missie what can I say? You did a terrific job! You worked without a complaint and were as dedicated as you could be. Sheila, Clint and Beth, you worked so hard and accomplished so much. You did great things with underclassmen. Jahdie, Erica, Brian and Holly, congratulations on putting together a special Senior year. Jodi and Cheryl, thanks for a job well done. Kim and Suzanne, your dedication did not go by unnoticed. You picked everything up without a problem and did a great job. There is one more person who can not go without thanks. Ms. Asmar, thanks for coming to us without the least bit of yearbook knowledge and taking on a task that seemed impossible. This year you have tackled everything possible from layouts to cropping and you've done a great job!!

EDITOR,

## e Finally Made It!

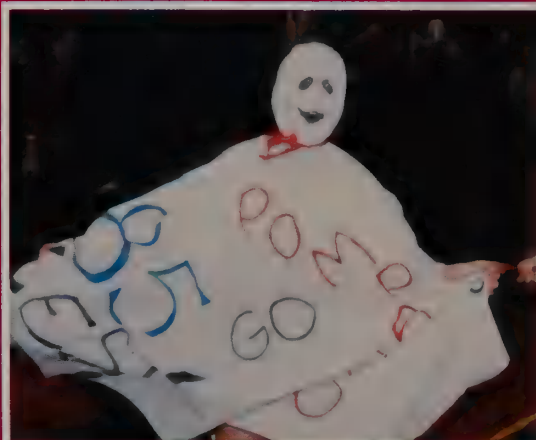

This year alot of changes were made at Pompano. A seventh hour day, and required classes were added. This year consisted of many activities such as a four issue newspaper, a three act play, the famous Wizards visiting Pompano, and the many great activities promoted by Student Senate. Yet, this is the time of year that we've all been waiting for.

**SENIORS** are now excited and can't wait to begin their new lives. They have been a close group of friends for four years, but now is the time to say goodbye and go separate ways. The class of 85' will always be remembered for its spirit and agility at Pompano Beach High. Congratulations and good luck to you in the future.

**JUNIORS**, the year is over and its time to start preparing for the next. But really you have to admit that your year was very special and filled with fun. You displayed your great ability by organizing the homecoming dance that was declared a success by all.

**SOPHOMORES**, this was the year that you became involved. You were influenced by the Junior and Senior class, but next year you are the Jamming Juniors and this is what is going to shake Pompano and show our pride. The dance that was organized by your class was a great success and is something for you all to be proud of.

**FRESHMAN**, this is something you'll never be called again. The activity lunches during homecoming week that you displayed showed everyone that the future of Pompano is in good hands.

Congratulations Ken,  
We are proud of you and believe that you will attain your  
life goals. Just remain yourself and be always a winner.  
We wish you the best through life.  
All our love,  
Mom, Dad and Grandpa

Kenny,  
The time that we spend together is so special that I can't  
even begin to explain.  
You always have advice, a shoulder to cry on, and an ear  
to listen. You have shown me the true meaning of happi-

Graduation is the first stepping stone on the path of life. It is just the beginning of new horizons and experiences. Many fields are readily accepting today's youth. One of the most broadening fields of today is electronics. Electronics is a developing field of interest which branches into many different areas.

Tropical Circuits, Inc. wishes the class of '85 the best of luck in their futures and hope that they will all attain their goals in life. The future is in our children and the careers they thoughtfully choose.

Best Wishes to the Class of '85

*Just Imagination*  
 I look all around,  
 And what did I see?  
 Two little green squirrels  
 Ran up a red tree.  
 The tree was red,  
 And the sky was brown,  
 And blue rabbits  
 Ran all around town.  
 But squirrels are not green,  
 The sky is not brown,  
 There is not a blue rabbit  
 In all of this town.  
 It was just my imagination.

**Kim,**

Time has passed so quickly. Remember how frightened you were of starting high school. Four years later and look what you've accomplished, Prez! You deserve a lot of credit for all your effort and hard work.

But remember you still have the rest of your life ahead of you. You'll make it. You're not a quitter and you know that we will always be behind you to guide and help you whenever you need us.

We thank God for giving us a precious little girl, now a young lady.

We love you, Kim. And we want you to know how very proud we are of you.

Love,

# Tim And Kelley

Tim,

In all of the times we've spent together and everything we've been through, you've given me so many special feelings and memories that I will never forget. You have made these last three years of high school terrific and no matter what happens to us in the future, I will always remember the super times we've had.

You're a terrific person Tim. Good luck with everything you plan to do and remember that I love you very much.

Love Always,

Kelley

Kelley,

I will always remember those cold nights when we'd snuggle together, all the movies and fun times, you coming to watch my baseball games, walks on the beach, talking on the phone for hours, parties, going out with Bino, taking you to work and waiting for you to get off, Homecoming, Christmas, anniversaries, birthdays, hugs and kisses, holidays, Pizza Hut after ball games, beach days, your mom and family, wrestling, pan pizza, studying, your house, making cookies, you cheering me up, getting presents, writing notes back and forth, and laughing with you. But most of all, I'm going to remember you!

I LOVE YOU!

Love Always,

Tim

## Love Always

**Chris,**

To a truly wonderful son who has given me a reason to live more times than he'll ever know.

May all your dreams and childhood aspirations come true as I know you will be the best at whatever you become. You are a true, loyal and good person.

All my love

**Congratulations to  
the  
Graduating Class of  
1985  
from  
the Advisory Council  
of  
P.B.H.S.**

The Advisory Council is a committee created to be an effective two-way school-community organization. It is composed of parents, teachers, administrators, students, leaders and members of the community who are interested and concerned with our school system. We are endeavoring to build morale, good will, cooperation and to identify school concerns and needs. This community participation is addressed to the expansion and improvement of the educational atmosphere and educational achievements.

One hot summer day  
Toward the end of July,  
a baby was born  
we heard her first cry.

Time passed very quickly  
like the blink of an eye,  
off to school she did go,  
Have five years really gone by?

This petite little angel  
grew wise and grew strong,  
we would hug her and kiss her  
when her whole world seemed wrong.

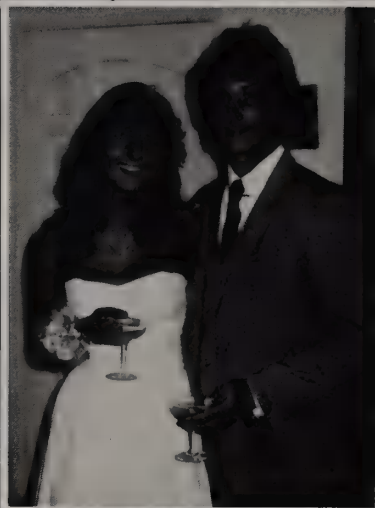

Now many years have gone by  
like the blink of an eye  
she no longer wears  
knee socks and bows

She's grown into a young lady  
a beauty so rare  
from her head  
right down to her toes  
and  
We'll always love her

**The Gift of  
Friendship**

**Friendship is a Priceless Gift  
That cannot be bought or sold,  
But its value is far greater  
than a mountain made of gold —  
For gold is cold and lifeless,  
it can neither see nor hear,  
And in the time of trouble  
it is powerless to cheer —  
It has no ears to listen,  
no heart to understand,  
It cannot bring you comfort  
or reach out a helping hand —  
So when you ask God for a Gift,  
be thankful if He sends  
Not diamonds, pearls or riches,  
but the love of real true friends.**

**Steven,**

**Thanks for always being so sweet! A smile is never out of style

Jackie,

Well, our little girl is almost grown up. We are very proud of you. No matter what you choose to do in life, we know you'll do well. Always keep smiling and don't ever forget that we love you.

Mom & Dad

Jackie,

Congratulations, Good luck, Best Wishes.

Need I say more?

You're a "berry-berry" good sister and friend.

Love, Michelle

Tami —

It's so hard to believe that our "little girl" is old enough to graduate. Time has passed by so quickly. We are proud of you honey and wish you all the best in the years to come in whatever you pursue. We love you very much! Always remember that!

— Mom and Dad —

Tami —

I could never put into words what I feel for you. The times we spend together are the best of my life. We laugh and we cry together and through it all, my love for you grows stronger.

I guess what I'm trying to say is that I love you and I always will.

— Rog —

Scott,

You're the best brother. Remember always the excellent times we had at Sannible, the parties, my cars #1 and #2. Good luck with your new car and with everything else in life. Thanks for always being there when I needed you most. I luv ya very much, Scott, and will miss ya when I go.

Love  
Lorine

"Hunchen Bunchen,"

Remember Disney, Swimming, Soccer, Movies, Skip Days, Fat Freddy's, Hotel Rooms, Pizza Hut, Boat Parade, Parties and my cars. You guys have made this the most awesome year in my life. Ya'll were always there when I needed you. I will never forget any of you, ever! I love ya all and don't ever forget it!!!

Luv  
Blondie

#### TO MY PARENTS

I am just begining to make some definite changes in my life. Some of them will take time, Some will cause me grief, Some will mean risk and alot of growing pains, too. But whatever the case, I know I will make it . . . It's having someone like you to see me through both the good times and the bad that makes me so sure . . . Sorry for the rough year. I'll always love you, and even like you, too!  
Hollie

Dearest Erica,

From crib to college — Thank you for the wonderful years in between. The world becomes a brighter place because of you. Never change your wonderful ways.

# Best Friends . . .

Suzanne (Salami) —

God must have blessed me with a friend like you. One who understands, cares, and listens. You're just like the sister I never had. You've always been there for me, during the good and bad times. You've never let me down. You're terrific! We've shared so many wonderful memories together. My High School years wouldn't have been the same without you. You've made these past four years the most memorable ones. They were GREAT!

Thanx for everything. Especially for being my best friend!

I love you sis,  
Kim (Pepperoni)

My Best Friend,  
Whenever I need a friend  
you always seem to be there.  
You help me with my problems,  
And our joys together we share.  
I can't imagine life  
Without a friend like you.  
Once we get together,  
We are an indivisible two!  
All the fun I've shared with you  
Can never be replaced.  
Together we've shared many good times  
And conquered the problems we've had to  
face.

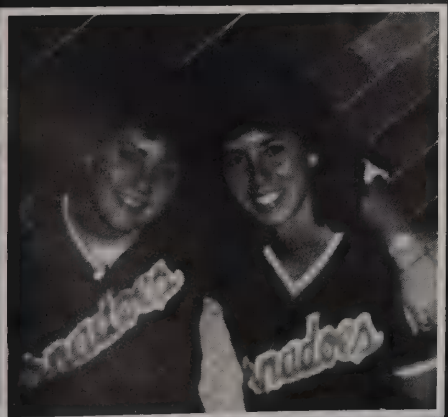

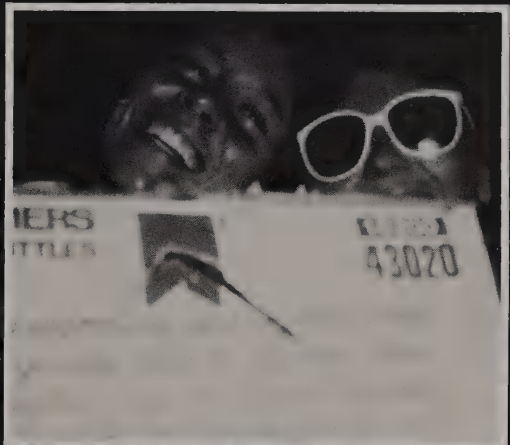

So I want you to know  
That I'm always here,  
If you ever need a friend,  
To make your thoughts clear.  
And when I must leave you,  
As many good friends sometimes  
part,  
I leave you with good memories And an  
important place in my heart.  
Anonymous

Kim,

We've had so many special memories,  
ones I'll never forget. You were always  
there for me through good and especially  
the bad times. Even though we may be  
separated after graduation your friendship  
and all the special memories I'll keep in  
my heart forever! So don't think of this as  
"goodbye" but a thank you for everything.  
I'll always remember the encouragement  
and understanding you showed me.

I Love You!  
Suzanne

## Forever!

**Title: All About Kelley**  
**Author: Her Mom**

This one is neither easy reading nor one you'll soon forget. It's beauty lies in it's subtle messages so take your time and read between the lines. You'll get angry and frustrated and threaten to put it aside, but then "Kelley" will make you laugh. The tears will come too, when you see yourself in her. If you're lucky enough to be given the chance to read her, grab it. There are no copies, Just one special edition.

Dear William,

Time, changes many things, but one thing it will never change is how proud I am of you. Keep up the good work in all that you do.

With Love,  
Mom

To our grandson, William, #1

As a tiny tot,

You danced around the room a lot

As time went by and seasons passed

Your songs rang out each year

Your voice became loud and clear

The songs you sing,

The joy you bring,

May your songs ring out for all to hear.

Love,

Yia Yia and Pa Poo

Steve,

You mean the world to me.  
Thank you for all the wonderful

Cast out over the ocean's depth,  
Lie all the tears that I have wept,  
And through those lonely nights I have crept,  
Like a cross country snail that has not slept.

There upon the horizon's endless tide,  
The swells of loneliness my tears shall ride,  
To await the warmth of the sun's next rise,  
To join all the others in the deep blue sky.

And so far the cycle has turned on effortlessly,  
But my will abates the tears of the sea;  
For there lies now a desert salt water free,  
And tears are forbidden to be drawn from me.

Because for the life in me I'll bet,  
Someone else too had loneliness a debt,  
And helped me to keep that sea of tears wet,  
Who now like me hasn't given up hope yet.  
So both our hearts are determined and set,  
To live forever without regret,  
The sea was ours until the day we met.

Your neighbor,  
Tony Barrier

Thank you for all you add to our lives: your gentleness, kind-  
ness, and sense of humor. You have helped teach us patience.  
Congratulations on your graduation. May your dreams come  
true.

We love you,

**Hollie,**

You arrived on the scene late one night,  
To your mother and father's great delight!  
Your hair was blond, your blue eyes bright,  
You had a smile that made everything right.  
Through the years you have made light of  
life's misfortunes.

And been an inspiration to those who've  
known you,

We thank you for being our loving daughter,  
And wish you the best life has to offer.

Love,

## Crossing the Bar

Sunset and evening star,  
And one clear call for me!  
And may there be no moaning of the bar,  
When I put out to sea,

But such a tide as moving seems asleep,  
Too full for sound and foam,  
When that which drew from out the boundless deep  
Turns again home.

Twilight and evening bell,  
And after that the dark!  
And may there be no sadness of farewell,  
When I embark;

For though from out our bourne of Time and Place  
The flood may bear me far,  
I hope to see my Pilot face to face  
When I have crossed the bar.

Alfred, Lord Tennyson
